

Basketball Gym & Indoor Track Rules and Regulations

Based on our current L.I.F.E. Center policies for using the basketball gym and indoor track the following rules and regulations will be monitored and enforced at all times. **MUST** present a current (*actively enrolled for the semester*) PSC ID card.

- Current PSC students have access to the basketball gym and indoor track during the posted “open” hours and must sign in at the fitness desk inside the “workout” area.
- For safety reasons, children under 5 years of age are not permitted to utilize the fitness areas, basketball gym, indoor track or other areas in the building.
- Children age 5 and older must be registered for R00672, Basketball Gym & Indoor Track.
- Children ages 5-14 must have a parent with them at all times who are also registered for R00672, Basketball Gym & Indoor Track.
- Children/youth age 14 to 17 need permission of parent and instructor, but do not require attendance by family member.
- A current Pensacola State College Continuing Education Recreation and Leisure Approval for Registration of Minor Student form must be signed, dated and on file before using the basketball gym and indoor track for all registered minor children/youth.
- Anyone enrolled in R00672, Basketball Gym and Indoor Track must sign in at the fitness desk (inside the “workout” area) each time.
- No one can monopolize the use of the basketball gym or indoor track.
- No official practice can take place in the gym or indoor track (or what appears to be an official practice).
- All other parents, guests, spectators and other minor children not enrolled in R00672 must remain on the sidelines and are not permitted to go out onto the gym floor or upstairs on the indoor track.
- Any injuries, problems, etc. must be reported to the Exercise Specialist on duty inside the “workout” area immediately and an incident report must be completed and submitted before leaving the area.
- Strollers and wheelchairs are permitted during low-volume times. Parents using strollers and wheelchairs assume all responsibility for the care and safety of their children while in the building. Children cannot be left unattended for any reason and must stay in the strollers.
