

EMPLOYEE HANDBOOK

www.pensacolastate.edu/documents/Employee-Handbook/

The Pensacola State College Employee Handbook is prepared by Human Resources for the non-faculty employees by Human Resources. For additional information, call 850-484-1760.

Revised January 2024

Pensacola State College does not discriminate against any person on the basis of race, ethnicity, national origin, color, gender/sex, age, religion, marital status, pregnancy, disability, sexual orientation, gender identity, or genetic information in its educational programs, activities, or employment. For inquiries regarding Title IX and the College's nondiscrimination policies, contact the Executive Director, Institutional Equity and Student Conduct at 850-484-1759, Pensacola State College, 1000 College Blvd., Pensacola, Florida 32504.

Faculty Employment Information

Most of the information in the Employee Handbook applies to all employees. However, a collective bargaining agreement in a separate document determines specific employment terms and conditions for full-time faculty.

Full-time faculty should refer to the current collective bargaining agreement for reference and information on such matters. <http://www.pensacolastate.edu/documents/collective-bargaining-agreement/>.

College Mission

Pensacola State College, under the governance of a local Board of Trustees, is committed to providing quality, affordable, and accessible educational opportunities through a variety of delivery methods.

The College, a member of the Florida College System, offers baccalaureate and associate degrees, workforce certificates, adult education, business and industry training, non-credit continuing education, community outreach, and cultural enrichment opportunities for students and the community.

Vision Statement

Pensacola State College educates students through a dynamic and supportive learning environment that develops all students intellectually, culturally, and socially, preparing them to succeed within the global community.

EQUAL ACCESS/EQUAL OPPORTUNITY

Without regard to race, color, ethnicity, sex, pregnancy, creed, age, religion, marital status, national origin, disability, sexual orientation, or gender identity, Pensacola State College commits to the following:

- Pensacola State College is an equal access/equal opportunity employer and shall recruit, employ, evaluate, assign, promote, or dismiss employees in compliance with all federal and state legislation about nondiscrimination.
- The College shall provide equal educational opportunities to prospective and enrolled students to include recruitment, admission, programs and activities, facilities, counseling and testing, financial assistance, evaluation, dismissal, graduation, and placement.
- The equal opportunity principle applies to students, applicants for admission, applicants for employment, employees, veterans, and otherwise qualified disabled persons regarding employment, the delivery of educational programs and services, and all other appropriate areas in which the College is involved.
- The College prohibits racial, ethnic, religious, physical, and sexual harassment of its employees and students. Furthermore, the College prohibits discrimination and retaliation of any kind, including discrimination based on sexual orientation, gender identity or genetic information, and discrimination based upon religion, and assures reasonable accommodation of

religious observances, practices, and beliefs of individual students and employees regarding admissions, class attendance, scheduling of examinations, and work assignments.

Pensacola State College is in compliance with the Americans with Disabilities Act (ADA) of 1990, as amended by the ADA Amendments Act of 2008, Title VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination in Employment Act of 1967, and the Genetic Information Nondiscrimination Act (GINA) of 2008.

Inquiries or complaints may be addressed to the Executive Director of Institutional Equity and Student Conduct, Building 5, 1000 College Blvd., Pensacola, FL, 32504, or 850-4841759.

Sexual Misconduct

Pensacola State College will not tolerate sexual battery, sexual harassment, voyeurism, or exhibitionism on any of its campuses.

In addition, Pensacola State College may discipline students and/or College employees for acts of sexual battery, sexual harassment, voyeurism, or exhibitionism committed off campus if such acts are found to be detrimental to the interests of the College or if such acts are found to interfere with the educational and orderly operation of the College. Sexual battery, sexual harassment, voyeurism, and exhibitionism are regarded and defined as acts of sexual misconduct. These acts of sexual misconduct are further defined as follows:

Sexual Battery — Oral, anal, or vaginal penetration by, or union with, the sexual organ of another or the anal or vaginal penetration of another by any other object; however, sexual battery does not include an act done for a bona fide medical purpose. Sexual battery is an act performed against the victim's will and without consent. Sexual battery includes force that may involve physical violence, coercion, threat, or harm. (F.S. 794.011)

Sexual Harassment — Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when submission to such conduct is made either explicitly or implicitly a term or condition of employment or academic decisions affecting the victim. It includes other verbal or physical conduct relating to sex when such conduct has the purpose or effect of unreasonably interfering with an individual's performance at work or in study or creating an intimidating, hostile, or offensive environment in which to work or learn. (Title VII of the Civil Rights Act of 1964, 1601.00)

Voyeurism — The condition of one who derives sexual satisfaction from observing the sexual organs or acts of others, generally from a secret vantage point.

Exhibitionism — It shall be unlawful for any person to expose or exhibit his or her sexual organs in any public place or on the private premises of another, or so near to it as to be seen from such private premises, in a vulgar or indecent manner, or so to expose or exhibit his or her person in such place, or to go or be naked in such place. (F.S. 800.03)

Sexual Harassment

It is the policy of the College that no members of the college community may sexually harass another. An employee or student who violates this policy will be subject to disciplinary action.

The College has an affirmative duty to create an educational and work environment free of harassment based on sex and is responsible for all acts of harassment regardless of whether the institution knew or should have known of the acts if the harassment is committed by a person in authority. If the harassment is between fellow employees, fellow students, or non-employees, the College is only responsible if it knew or should have known of the harassment and failed to take corrective action. Included are:

- Any slurs, innuendos, or verbal or physical conduct that has the purpose or effect of creating an intimidating, hostile, or offensive educational or work environment; has the purpose or effect of unreasonably interfering with the individual's work or school performance or participation; or otherwise adversely affects an individual's employment or educational opportunity.
- The denial or provision of aid, benefits, grades, rewards, employment, faculty assistance, services, or treatment based on sexual advances or requests for sexual favors.
- Sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or educational career; submission to or rejection of such conduct is used as a basis for educational or employment decisions affecting the individual; or such conduct has the purpose or effect of unreasonably interfering with an individual's work or educational environment.

The defense of consent is not viable when one partner in a relationship has power over the other. Sexual relationships, even though welcome, which may be appropriate under different circumstances, may not be relevant when they occur between a faculty member and student or a manager and employee. Even when no negative consequences arise for the individuals involved, such relationships can create potential conflicts of interest. Sexual relationships viewed by the parties as mutual may still raise questions of favoritism as well as abuse of trust and power. This is particularly the case where a student is enrolled in a course the involved faculty member teaches.

Sexual harassment complaints shall be directed to the immediate manager, who will disseminate this procedure. If a complaint is made against the immediate manager, the next level of supervision should be contacted. Employees and students may notify the Executive Director, Institutional Equity and Student Conduct, at 850-484-1759.

Grievances Alleging Discrimination

Pensacola State College is a diverse community that values and expects respect and fair treatment of all individuals. The college strives to provide a work and academic environment free from discrimination, harassment, and retaliation. The college's Policy on Nondiscrimination, 6Hx20.1.007, clearly prohibits discrimination based on race, ethnicity, color, national origin, gender/sex, age, religion, marital status, disability, sexual orientation, and genetic information. Additionally, discriminatory conduct in the form of sexual misconduct/sexual harassment (6Hx20-1.028) is also prohibited.

Any employee who believes he/she has been subjected to discrimination, harassment, or retaliation may file a complaint with the college's equity officer, Executive Director of Institutional Equity and Student Conduct, at 850-484-1759. In addition, employees may also

consult with the Director, Human Resources at 850-484-1766 for subsequent referral to the equity officer for allegations involving discrimination.

FRAUD POLICY (Fraud Hotline 850 471 4600)

The Fraud Policy addresses employee's and management's responsibility for detecting and reporting fraud and/or suspected fraud. For this policy, fraud shall include but not be limited to:

- Theft or misappropriation of College assets;
- Submitting false claims for payments or reimbursement;
- Submitting false timesheets and/or failure to submit leave requests for time not worked;
- Accepting or offering bribes, gifts, or other favors;
- Accepting a commission from a third party;
- Black-mail or extortion;
- 'Off the books' accounting or making false or fictitious entries;
- Knowingly creating and/or distributing false or misleading financial reports;
- Paying of excessive prices or fees where justification thereof is not documented;
- Violation of the College's procedures with the aim of personal gain or to the detriment of the College;
- Willful negligence intended to cause damage to the material interest of the College or
- A dishonorable or irresponsible or deliberate act against the interests of the College.

Responsibility of Employees

All employees are responsible for conducting their College business in such a way as to prevent fraud from occurring in the workplace. Employees must also be alert to the possibilities for fraud and be on guard for any indications of improper or dishonest activity.

Responsibility of Management

All administrators are responsible for being familiar with the types of improprieties that might occur in their area and being alert for any indication that improper activity, misappropriation, or dishonest activity exists in their area and putting in place controls to avoid such occurrences.

Administrators are required to support and work with other involved departments and law enforcement agencies in the detection, reporting, and investigation of dishonest or fraudulent activity, including the prosecution of offenders. If fraud is detected in an area, administrators are responsible for taking appropriate corrective actions to ensure adequate controls are implemented to prevent the reoccurrence of improper actions.

Reporting Fraud

It is the responsibility of all College employees to report fraudulent activities without delay according to the procedure set forth below. Persons with knowledge of a fraudulent activity who cover up, obstruct, or fail to report will be considered an accessory after the fact. They may be subject to disciplinary action and/or discharge. Persons who threaten retaliation against a person

who has reported fraudulent activity shall be subject to disciplinary action up to and including termination of employment. Great care must be taken in dealing with suspected dishonest or fraudulent activities to avoid false accusations or alerting a suspected individual that the fraudulent activity has been detected.

Incidents, facts, suspicions, or allegations should not be discussed with anyone inside or outside the College unless specifically directed to do so by the College administrator investigating the incident.

Fraud can be detected at any level within the College, and the following general principles should apply in reporting suspected fraud.

A person who suspects fraudulent activity shall immediately report the matter to his or her Department Head. If the Department Head is suspected of involvement in the fraudulent activity or of being an accessory after the fact to the fraud, then the report shall be made directly to the appropriate Vice President, which shall be the Vice President of Academic and Student Affairs in the case of an academic or student services employee, or Vice President of Business Affairs for all other employees. If the appropriate Vice President is suspected of involvement in the fraudulent activity or of being an accessory after the fact to the fraud, then the report shall be made directly to the President of the College.

When a report of suspected fraudulent activity is made to a Department Head, if that Department Head has conclusive knowledge that no fraud has occurred, then the Department Head shall forward the report and the exonerating information to the appropriate Vice President. Examples of exonerating conclusive knowledge may include such things as a leave request form having appropriately been submitted for a person absent from work or a property disposition form having been appropriately submitted for equipment to be removed from campus.

If the Department Head does not have conclusive knowledge that no fraud has occurred, then the Department Head shall immediately forward the report of fraudulent activity to the appropriate Vice President or the President if the Vice President is implicated and shall only conduct further investigation once the Vice President or President is directed to do so.

The College has established a fraud hotline to allow anonymous reporting of fraudulent activities, and it is monitored by the Office of the Vice President, Business Affairs. As an alternative to reporting fraudulent activity through a report made directly to a Department Head or Vice President, as set forth above, employees may satisfy their reporting obligation by making a satisfactory report to the fraud hotline. A satisfactory report of fraudulent activity shall include the name of the suspected individual and a specific description of the activity believed to be fraudulent, given with enough detail to allow for a thorough investigation without alerting the suspected individual.

Procedures for the Investigation of Alleged Fraud

The Vice President, or the President if the Vice President is implicated, shall be responsible for coordinating the College's response and will seek advice from legal counsel, appropriate law enforcement agencies and others as required.

The Vice President or President will notify the appropriate staff who will, if appropriate, conduct an initial investigation to gather factual information and reach a preliminary determination as to whether further action is required. The findings, conclusions, and recommendations will be reported to the appropriate Vice President or President.

Where the initial investigation provides reasonable grounds for suspecting an employee of fraudulent activity, the Vice President or the President will decide if any actions are necessary to prevent further loss. Such actions may include suspension of the employee(s) with or without pay in accordance with Board of Trustees Policies and/or the decision to proceed with further investigation.

Each case will be considered individually with a view to minimizing the losses (both monetary and otherwise) to the College. Having decided what further action is necessary and how such actions should be undertaken, the Vice President or President shall communicate with the affected employee(s) and the appropriate manager(s).

Results of fraud investigations will be considered and the internal control structure assessed so that a similar recurrence of the same or similar fraud can be prevented or at least promptly detected by the relevant Vice President and staff in the future.

Following consultation with the relevant department(s), documentation regarding the findings, conclusions and recommendations will be maintained.

Investigation of Alleged Fraud Disciplinary Action

Human Resources will be consulted for any employee disciplinary actions resulting from fraudulent activity. Documentation related to such employee discipline will be maintained in the employee's record.

College Facilities

Use of Facilities and Equipment

Only the President or his designee can grant permission to any group to use College facilities or equipment. Such permission will be in accordance with the policies of the Board of Trustees, and appropriate charges will be assessed for utilities, custodial service, insurance and any other costs. Educational functions of Pensacola State College require first consideration when use of college facilities and equipment is concerned. In the event facilities and/or equipment are not in use for the College educational purposes at a certain time, they may be made available to recognized groups for educational functions of a non-sectarian nature. For use of facilities by external groups and co-sponsored events, a Facilities Use Form will be initiated by designated area schedulers, must be signed by the senior level administrator and sent to the college's designated risk manager for review. Internal Pensacola State College groups using facilities do not have to process a form. Policies governing the use of college facilities and equipment are detailed in the internal policies of the District Board of Trustees.

Restroom and Changing Facility Use Based on Biological Sex at Birth

Pursuant to s. 553.865, Florida Statutes, and Rule 6A-14.00612, Florida Administrative Code, all restrooms and changing facilities at Pensacola State College are designated for exclusive use by males or females and shall be limited to individuals based on their biological sex at birth, except for single use restrooms and restrooms specifically designated by signage as unisex. Single use and unisex restrooms may be used by individuals of either sex. Any College employee who willfully enters, for a purpose other than one of the Permitted Exceptions listed below, a restroom or changing facility designated for the opposite sex on college premises and refuses to depart when asked to do so by any administrative personnel, faculty member, security personnel, or law enforcement personnel, shall be subject to disciplinary actions. Disciplinary actions for a first offense may include verbal warnings, written reprimands, suspension without pay or termination of employment based on the circumstances of the event. Pursuant to Rule 6A-14.00612, F.A.C., disciplinary action for a second offense must result in termination of employment.

Permitted Exceptions:

- (a) To accompany a person of the opposite sex to assist or chaperone a child under the age of 12, an elderly person, as defined in s. 825.101, or a person with a disability as defined in s. 760.22 or a developmental disability as defined in s. 393.063;
- (b) For law enforcement or governmental regulatory purposes;
- (c) For the purpose of rendering emergency medical assistance or to intervene in any other emergency situation where the health or safety of another person is at risk;
- (d) For custodial, maintenance, or inspection purposes, provided that the restroom or changing facility is not in use; or
- (e) If the appropriate designated restroom or changing facility is out of order or under repair and the restroom or changing facility designated for the opposite sex contains no person of the opposite sex.

Any alleged violation of this policy by any College instructional personnel or administrative personnel shall be reported to the Office of Institutional Equity and Student Conduct which shall commence an investigation of the allegations in the same manner as a report of discriminatory misconduct by an employee.

If the College fails to meet the foregoing requirements for use of restrooms and changing facilities, any College student, administrative personnel, faculty member, security personnel, or law enforcement personnel has the right to file a complaint with the Florida Attorney General alleging such failure.

This policy does not apply to an individual who is or has been under treatment by a physician who performs procedures upon or provides therapies to a minor born with a medically verifiable genetic disorder of sexual development, who in the physician's good faith clinical judgment has any of the following conditions:

- (a) External biological sex characteristics that are unresolvedly ambiguous.

(b) A disorder of sexual development in which the physician has determined through genetic or biochemical testing that the patient does not have a normal sex chromosome structure, sex steroid hormone production, or sex steroid hormone action for a male or female, as applicable.

Smoke-Free Workplace/Indoor Clean Air Act

Smoking is prohibited within all buildings including classrooms, lunchrooms, conference rooms, restrooms, meeting rooms, and community areas. Smoking is disallowed at covered entranceways and exits to all buildings. Smoking is permitted only in designated areas on each campus. This policy applies to all employees, students, clients, contractors, and visitors. Employees must share in the responsibility for adhering to and enforcing this policy. Problems should be brought to the attention of the appropriate manager.

Guidelines for Use of Rooms

Room assignments for classes will be assigned through the Facilities Scheduler. An instructor's request for a room change must be approved by the instructor's Department Head, Dean and senior-level administrator before the Facilities Scheduler is contacted concerning the change. The use of campus facilities may be requested through the campus dean of the particular campus. An insurance and/or rental fee may be required for some events. Such fees are collected at least two weeks in advance.

Equipment

All equipment belonging to the College should remain in college buildings or accompany instructors to and from established off-campus educational centers controlled by Pensacola State College. The College does not lend equipment to any person or organization if it will be removed from College premises. Some equipment, such as public address systems, is for use at school functions only. No equipment may be removed from the campus without authorization from the President, a Vice President, or a designee. Valuable equipment should be secured in classrooms. Electronics used for classes should be returned to the Information Technology Department, Computer Lab, or the respective department storeroom or locked securely in the classroom when leaving. Valuable personal items should be secured in offices or classrooms.

Property Control

All property of a non-consumable nature valued at \$1,000 or more, which has an average life expectancy of one year or more, will be inventoried. Property will only be moved from its assigned area with proper authorization. Property Control Form Pensacola State College-59-84 is required.

Operation of Machinery or Equipment

All appropriate safety measures will be followed when machinery or equipment is operating. The operation of any potentially dangerous machinery or equipment in instructional spaces shall take place only under on-site supervision by an appropriate employee of the College.

Copy and Duplicating Services

Copying/duplicating machines may be used only for official Pensacola State College business. Employees are responsible for compliance with copyright laws.

Telephones

Federal Communications Commission (FCC) rules govern tax-exempt telephones; therefore, no personal long-distance calls can be made on official school telephones. In no event should students make long-distance calls on official school telephones.

Anyone who receives obscene or annoying telephone calls while at work or conducting business on the campus should notify the Public Safety/College Police Department of that campus.

Campus Mail Facilities

Campus mail service may be used only for official Pensacola State College business. Besides official College business, mail will not be placed in mail pick-up areas for off-campus delivery. If there is a question concerning the official nature of an item to be mailed, it will be resolved by the President or his designated representative. The Central Services Department distributes copies of mail procedures to all Pensacola State College offices. Complete instructions for the proper preparation of mail are provided. Questions about the mail service should be directed to the Central Services Specialist or Purchasing department head.

College Vehicles

College vehicles may be used for local official functions when Pensacola State College is being represented by College personnel. This does not include class assignments. Due to insurance restrictions, people other than College employees and students are not permitted to ride in College vehicles. If rental or personal cars are to be used for trips, the cost will be the responsibility of the user's department. Reservations, cancellations, and special arrangements for using vehicles from the motor pool are made by contacting the Department of Facilities, Planning, and Construction, Building 9, Pensacola Campus, 850-484-1900. This department will be notified with a Request for Maintenance Services as soon as possible. When a vehicle is picked up, a copy of the approved Request for Travel Authorization for out-of-town trips must be presented. The person signing for the vehicle must be the driver, an employee of Pensacola State College, and have a valid Florida Driver's License. Drivers of College-owned vans or rental vans transporting 15 or more students may be subject to satisfying certain restrictions. Any person using a College vehicle is responsible for the vehicle's safety, cleanliness, and proper operation. The user is also responsible for returning the vehicle in good condition and on the prescribed date and time. Operators of college buses must be certified under Department of Transportation rules.

Keys and Access to Facilities

Requests for College keys will be made through the working department and provided to the Facilities, Planning, and Construction departments for the issue. Lending or duplicating keys is not permissible. Keys are PSC property and shall be rendered upon request or at termination of

employment. Failure to return college-issued keys will result in a \$100 fee to the employee. Any misuse of keys by an employee could result in disciplinary action.

TRAVEL

Specific Rules

All travel must be authorized and approved by the proper authority before the trip takes place. Reimbursement by the College will be limited to expenses incurred in performing a public purpose authorized by law. For specifics about travel and reimbursement, refer to Pensacola State College Policy 6Hx20.5.008 and section 5 of the Pensacola State College Procedures. Faculty members should consult the current collective bargaining agreement for specific travel terms and conditions.

Car Rental

In some instances, renting a vehicle at the traveler's destination may be the most economical source of travel at the location. The use of rental vehicles must be approved in advance by the appropriate Dean or Vice President. Rentals must be made through the State's rental contract and charged to the College. Information and credit cards applicable to Pensacola State College are available in the Vice President for Business Affairs office. When travel originates from Pensacola State College Campus, the College's Department of Facilities, Planning, and Construction should be contacted for rental vehicle information.

Traffic Laws

Drivers of College vehicles must observe all traffic laws. The employee in charge will be responsible for compliance with all traffic regulations. Laxness in observation of traffic laws will be considered willful neglect of duty.

Accidents

Any accident involving a college vehicle must be reported to the proper authorities in the area where the accident occurred and to the President of the College or appropriate College authority. The person responsible for the vehicle will be responsible for providing a complete accident report from the law officers to the College.

Safety and Security

Public Safety/College Police Department

Pensacola State College Public Safety/College Police Department employs sworn, commissioned police officers. These officers are responsible for maintaining law and order and the health and safety of those on campus by state, county, and city laws. They are also responsible for the security of campus buildings when not in use by employees.

Pensacola State College Public Safety/College Police Department operates a central dispatch, coordinating all campus calls for public safety assistance from one centralized location. The number to call for all campuses is 850-484-2500.

Since the police officers can't know or recognize all College employees, members who are on campus at unusual hours will cooperate with the Public Safety/College Police Department by identifying themselves when requested to do so. The Pensacola State College identification card will be accepted as sufficient identification. However, additional identification may be requested if deemed necessary.

After regular work hours, employees in any of the buildings should notify the Public Safety/College Police Department by calling 850-484-2500.

Information requested by the Public Safety/College Police Department may be obtained by calling 850-484-2500 24 hours per day, seven days a week. In the case of an extreme emergency after hours, dial 9-911 from a Pensacola State College Campus phone.

On all campuses, the telecommunications device for the deaf (TDD) can be accessed by calling 800-955-8770.

Emergencies

Emergencies involving minor injury, illness, or accident should be reported to the Public Safety/College Police Department at 850-484-2500 as soon as possible. The dispatcher will require the following information:

- Exact location of the emergency (room number and building, whether inside or outside the building, etc.)
- Nature of the emergency (sickness, fall, extent of injury or illness, any known information about the victim's condition such as related health problems, etc.)
- Name of the person who is injured or sick (additional information such as sex of the person, adult or child, conscious or unconscious).
- Name of person calling.
- Telephone number where the caller can be reached. Callers should remain on the phone with the dispatcher until an officer arrives.

In the case of an extreme medical emergency (i.e., possible cardiac condition {complaint of chest pains, diaphoresis} choking, possible drowning), immediately call 9-911.

If 911 is called, notify Pensacola State College Public Safety/ College Police Department (after calling 911), and officers will respond to the scene. This will allow documentation of the incident but will assure professionally trained medical personnel are on the way.

For each emergency, an Accident-Incident Report must be prepared by the person injured or ill, if and when possible, or the manager in charge and forwarded immediately to the Pensacola State College Public Safety/College Police Department. Follow-up and status of accidents pertaining to employee work time should be coordinated with the Director, Human Resources.

Trespassing

Any person who:

- is not a student, officer, or employee of the College; or
- does not have legitimate business on the campus, nor any other authorization, license, or invitation to enter or remain upon college property; or
- is not a parent, guardian, or person who has legal custody of a student enrolled at the College; or
- is a student currently under suspension or expulsion or
- an employee who is not required by their employment by the College to be on the campus or on any other facility owned, operated, or controlled by the governing board of the College and who has no lawful purpose to be on such premises; and who enters or remains upon the campus or any other facility owned by the College, commits a trespass upon the grounds of the College and is guilty of a misdemeanor of the second degree, punishable as provided by Sections 775.082 and 775.083 of the Florida Statutes.

Protective Services Act for Abused and Neglected Children

The Protective Services Act for Abused and Neglected Children states that certain people in specific fields who know or have reasonable cause to suspect that a child is abused or neglected shall report such knowledge or suspicion to the Florida Department of Children and Families. The categories for mandatory reporting include several classifications of individuals that work at Pensacola State College, including schoolteachers or other school officials or personnel, daycare center workers, people in the medical field, and law enforcement officers.

If it is suspected that a child is in immediate danger, notify the Pensacola State College Public Safety/College Police Department and call 800-962-2873 or 800-453-5145 for the hearing impaired. Pensacola State College Public Safety/College Police Officers will respond for assistance. Penalties may be assessed for lack of reporting or for preventing someone else from reporting abuse or neglect of a child.

Sexual Predator or Offender Information

Per Florida Statute 1001.64, the College fulfills the requirement of law by addressing the presence of sexual offenders and/or predators at higher learning institutions. The website link for the College Police/Public Safety will provide the required details and identify links to the Florida Department of Law Enforcement (FDLE) hotline or website for information on sexual offenders and/or predators in Florida. For questions, contact the Public Safety/College Police at 850-484-2500.

Campus Drug Activity Reporting

Drug activity on campus, whether actual or suspected, is detrimental to the learning environment. The actual use or sale of drugs is illegal under Florida law.

Employees should report any suspected drug activity to the Public Safety/College Police. Reports can be anonymous, but information concerning the date, time, names, descriptions, and license plate numbers of suspected users and/or dealers should be provided if possible.

Domestic Violence

If a Pensacola State College employee or student experiences domestic violence such as stalking, aggravated stalking, threats, harassment, and/or aggravated assault, or aggravated battery, or has a restraining order or domestic violence injunction against an abuser, contact must be made with the Pensacola State College Public Safety/College Police Department on the appropriate campus. Police officers can work with individuals to give proper referrals for help and to help protect you on campus. Notifying the Public Safety/College Police Department of these problems in advance will enable officers to assist you better when needed. Additionally, Pensacola State College has implemented a policy concerning domestic violence leave for employees. See Pensacola State College Policy 6Hx20.4.028 for further information.

Lost or Found Property

All lost or found property should be reported immediately to the Pensacola State College Public Safety/College Police Department. Property found on any campus or center shall be turned in to the Pensacola State College Police Department promptly so that a record of the property can be made. Pensacola State College Police will attempt to notify the owner and return the property. All property not claimed within 30 days will be sold at public auction.

Stolen Property

Stolen property should be reported immediately to Pensacola State College Public Safety/College Police Department. All employees should make every effort to note daily departmental equipment that is present in their area. If it is determined that equipment is missing, a report should be made immediately to the Pensacola State College Public Safety/College Police Department.

Fingerprinting for Background Checks

The Pensacola Campus Public Safety/College Police Department conducts fingerprinting on live scan equipment for employees and volunteers for the purpose of employment or volunteer assignment in compliance with College Policy 1.036. Only select employees with selected positions will be printed for Level II. In accordance with the college policy 6Hx20-1.036, all employees, interns, student workers, and volunteers must complete a Level II background screening on live scan once they have been selected for employment or scheduled for an assignment. The college's live scan equipment is located at the Pensacola Campus, Public Safety/College Police Department, building 5. Applicants for fingerprinting may go to Public Safety during operational hours, or call the department at 850-484-2500, or campus ext. 2500 for specific times. Questions may be referred to the Director, Human Resources at 850-484-1766, or the Public Safety/College Police at 850-484-2500.

PERFORMANCE DEVELOPMENT AND EVALUATION

Career Service Employees

The purpose of the College's performance development and evaluation program is to:

- assist in accurately appraising career service employees
- discuss performance factors
- review and update job descriptions
- enhance the relationship and communication between the manager and employee
- improve the motivational climate, and
- serve as a tool in the growth and development of employees.

The evaluation form provides the basis for evaluation of quality and quantity of work, job knowledge, attendance and punctuality, cooperation, dependability, and supervisory responsibilities, if applicable. An employee may respond in writing to the evaluation under “Employee’s Comments” or by adding a supplemental sheet. This response will be part of the permanent record to accompany the Performance Evaluation Form.

The evaluations are conducted in three ways:

- **Probationary** — For new hires, or internal promotions or transfers, at the six-month mark of the hire date or promotion/transfer date.
Note: probation is one year for new hires but six months for an internal promotion/transfer.
- **Annual** — Due by March 31.
- **Special** — An employee may receive a special evaluation based on performance concerns that occur after the employee completes their probationary period.

The Career Service Evaluation form and instructions are available online. To locate the form, go to PensacolaStateCollege.edu, select Faculty & Staff, choose Employee HR Forms, and click on Performance Evaluation Form (Career Service).

When the evaluation is completed, the employee will sign the evaluation report and be assured that it is complete and accurate. Instructions for the situation in which an employee refuses to sign an evaluation can be found at the bottom of page two of the evaluation form. A signed copy of the evaluation is given to the employee by the manager. The original evaluation document will be forwarded to Human Resources and placed in the employee's privacy file.

Probationary Period

Newly hired employees will be under a one-year probationary period. At the six-month mark of the hire date, managers will be made aware by Human Resources that the Probationary Evaluation is due. All employees will receive an evaluation annually. Current employees who are promoted or transferred to a new position must serve a six-month probationary period. Managers will be notified that an evaluation is due at the six-month mark.

Performance Improvement Plans

A manager may decide that an employee's performance is not meeting expectations. A structured performance improvement plan may be designed and used to identify issues, corrective action needed, available resources and/or training, and future status. The plan and process should be discussed with the Director, Human Resources, and the manager's next level of supervision before presenting it to the employee. The plan will become part of the employee's record in Workday.

Job Classification (Career Service)

Jobs within the career service level at Pensacola State College have a specific title, which signifies that the employee in that position has met certain minimum qualifications, training, and experience. Each career service job is assigned a specific salary range. When an employee is hired, they will receive the minimum amount within the assigned salary range for that particular job.

Salary ranges are reviewed periodically and checked against salaries in other businesses to provide equitable pay for College employees performing various jobs. Job classifications are reviewed periodically as well. If the duties and responsibilities of a job change significantly, the job may be considered for reclassification.

A request to evaluate a job may be filed by the appropriate manager to their senior level administrator or submitted annually with budget requests. If a job is upgraded, the person who has been in the job receives first consideration for the reclassified position. When the incumbent meets the qualifications established for the upgraded job, the manager may recommend that the incumbent be promoted to that position. The employee's salary will be processed to reflect a promotion in each case.

Reassignments/Transfers

The College may at any time authorize the transfer of any employee from one position to another within the same job classification. Transfers will be permitted only with the consent of the College and the departments concerned and must contribute to the good of the College. Additionally, the President may fill vacancies through transfer or promotion without advertising the position, providing that the procedure follows equal opportunity rules and regulations. When a career service employee changes positions due to reorganization, reduction-in-force, or voluntary downgrade, the salary will be determined by the President or his designee within the classification they are being transferred to.

Promotion

When promotional opportunities arise, notices are posted internally on the career app. Notices are also posted on the employment web link. Employees are eligible for promotion outside their department following six months of satisfactory service in their current position.

PERFORMANCE DEVELOPMENT AND EVALUATION

Administrative Employees

Performance evaluations of non-faculty employees are scheduled for completion by March 31 each year and are an important process and part of the College's Strategic Planning Institutional Effectiveness calendar. The covered period for evaluation is April 1 through March 31 of the given year. If the due date is affected by Spring Break, the President will approve an extension to the due date.

All non-faculty employees must complete a Professional Development Plan (PDP) for submission to their supervisor to accompany the Performance Evaluation. The purpose of the PDP is to assist the supervisor and employee with outlining professional goals and working toward enhancing skills and knowledge with ongoing education, training, job-related workshops, and/or professional affiliations.

During this time, managers are to review the board-approved job descriptions maintained by Human Resources detailing job titles, duties and responsibilities, essential functions, and minimum qualifications for staff within their reporting area. Managers should keep in mind any organizational changes, new tasks assigned, technology changes, and any other functions that could affect the requirements of a job. Updates or changes to job descriptions require submission to the departmental area senior-level administrator, with final approval by the College President. After the final approvals are completed, Human Resources will receive annual evaluations and PDPs for the employee's record.

EMPLOYMENT AND PAYROLL INFORMATION

Work Day

Full-time career service employees work eight and one-half (8 1/2) hours per day with a one-hour unpaid lunch period. Employees are paid 7.5 hours per workday. Summer schedules will be announced. Unless work conditions prohibit, employees may have a paid fifteen (15) minute break in the morning and a paid fifteen (15) minute break in the afternoon, provided it does not interfere with the normal function of the employee's duties. Break time is not cumulative; employees may not use break time to lengthen the meal period or leave early at the end of the workday. If a break is not taken in the morning, it may not be added to the afternoon break time.

For any employee who is paid hourly. A submission for the week must be completed.

- Click on the Time
- Click This Week
- The number of hours you have already entered for the week will be in parenthesis
- Click anywhere under the date you want to enter the time
- Hours Worked auto-populates, change if necessary
- Enter your time In and your time Out
- Enter an Out Reason

- Going to lunch, select Meal
- Leaving for the day, select Out
- If necessary, select the correct position for the Time of Entry
- Click OK
- Your two entries must equal a full day for your position
- Do not submit your time until the end of the week
- At the end of the week, submit your time

Questions may be referred to the Director, Payroll at 850-484-1747 or Director, Human Resources at 850-484-1766.

Pay Checks

All College employees are paid on a bi-weekly basis. The paycheck details are available on the employee's Workday profile page under "Pay." Payroll deductions are either authorized by the employee or court-mandated. For the employee's convenience, the College provides direct deposit of paychecks, and employees may designate up to three financial institutions in Workday by completing the function, "Payment Elections." Paychecks are mailed to the employee's home address on record for the few exceptions of direct deposit.

Credit Union Membership

College employees are eligible for membership with Members First Credit Union and Pen Air Federal Credit Union. Employees may direct funds to either or both credit unions by completing their "Payment Elections" option in Workday. Information is available from Human Resources.

Identification Card (ID)

The Admissions Department will issue identification cards to all non-student employees by following the Request for Employee ID in Workday. A passport-style photo can be uploaded onto the employee's profile in Workday. A request will need to be made through the Request Portal in Workday. Once received and printed, admissions will reach out when ready for pick up. A valid government ID is required for pick up. Admissions can take the employee's photo and print the ID simultaneously at Building 2 on the Pensacola Campus. Additional questions or information about the Pensacola State College ID will be provided during onboarding and orientation.

Decals

All motor vehicles operated on Pensacola State College Campuses must be registered with the College Police Department. This includes all full-time students, part-time students, employees, faculty, and staff. Parking decals should be obtained when the employee begins their assignment for the College. Employee decals do not expire and are only renewed if they become lost, illegible, or worn. Decals must be affixed to the lower right-hand corner of the rear window or on the right rear passenger side bumper. Motorcycles and similar motor vehicles shall display the decal on the rear of the vehicle so that it is visible from behind. The person who registered a vehicle and issued a decal is always responsible for the car displaying the decal. Decals are free and are not transferable.

Parking decals and driving privileges are subject to revocation by the administration in case of repeated campus parking or traffic violations.

Personal Check Cashing

Employees may cash personal checks at the Cashier's window for \$25.00 or less if funds are available. Proper identification is required. Information is available at 850-484-1737.

Holidays

Holidays are established annually by the adoption of the College calendar. Full-time career service, professional/managerial, and executive employees will be credited for pay purposes as 7.5 hours of pay on established holidays during the five-day work week. During the four-day work week, holiday pay will be the same as the number of work hours normally scheduled for the employee on the particular day of the week in which the holiday occurs. Employees who are on approved leave with pay when holidays occur will not have the holiday charged against their accrued leave credits.

To receive holiday pay, employees must have worked or been on an approved leave with pay status for more than 50% of the work hours of the week in which a holiday occurs. If the holiday makes up the entire work week, the employee must have worked or been in an approved leave with pay status for more than 50% of the work hours of the remaining week of the pay period. If the holiday makes up the entire pay period, the employee must have worked or been in an approved leave with pay status for more than 50% of the work hours of the work week preceding the holiday. In the event of the employee's death during a holiday closure, the final payday for that employee will include holiday pay through the date of death.

When an employee is retiring, they will be paid for the holiday through the end of the month to coincide with the retirement date as long as the employee works the last day available in the month (of retirement). Using leave to remain on the payroll until the retirement date does not satisfy this requirement to qualify for holiday pay.

When employment is being terminated, or an employee resigns from the College, the employee must have worked more than 50% of the work week hours after a holiday to be eligible for holiday pay. Submitting leave (sick, annual, or personal leave) cannot satisfy the 50% work requirement to qualify for holiday pay.

Overtime (Career Service)

Overtime pay will be at the rate of one and one-half times the employee's regular payrate. The overtime rate is paid for actual hours of work and certain paid hours beyond 40 hours in an established work week.

Overtime is paid after the employee completes or is credited for work and pay purposes in excess of 40 hours within a work week for:

- Time actually worked
- Professional leave
- Temporary duty assignment

Annual, sick, and personal leave hours and on-call pay when an employee is not required to report to the work site during the work week will not count toward the 40 hours to compute overtime. Employees will be paid at their regular rate for hours worked beyond 40 that do not meet these overtime computation guidelines.

Overtime must be requested in writing by the immediate manager and approved in advance by the appropriate Vice President or senior-level administrator before an employee works overtime hours.

Compensatory Time

A non-exempt classified employee who works additional time may be granted compensatory leave instead of compensation, subject to the following:

- All compensatory time must be approved by the appropriate senior-level administrator or Vice President.
- Any compensatory time *must* be taken within the pay period in which it is accrued. If earned at the end of a pay period, it must be approved by the President or his designee and used *before* the end of the next pay period.
- There will be no accumulation of compensatory time other than as indicated. If the time is not taken, it must be reported as overtime and funded out of the departmental budget. The Vice President must approve exceptions.

Educational Incentive Program (Career Service)

Any career service employee who receives a degree from an accredited institution after their initial employment with the college is eligible for a recurring educational incentive of \$1,000.00. For this plan, an accredited institution means an accredited college, university, or community college accredited by the Southern Association of Colleges and Schools (SACS), another regional accrediting agency, or the American Association of Collegiate Registrars and Admissions Officers. Awarded degrees to be considered for eligibility include associate's, bachelor's, and master's.

A lifetime limit of two incentive awards may be given to any employee.

Employees wishing to participate in this program are responsible for completing the application for incentive and providing Human Resources with the form and official transcript of such degree. The incentive award will occur in the first pay period possible after all the required paperwork has been provided.

This plan excludes PSC police officers covered for educational incentives by F.S. 943.17.

On-Call Pay

Career service employees will be paid for "on-call" duty during off-hour periods when the College is normally closed. Employee(s) will be issued a cell phone and is required to respond to an emergency or equipment malfunction within 30 minutes after being contacted by the Pensacola State College Police Department or appropriate college administrator. The employee must be available to report to the appropriate campus/work location and perform the required work.

On-call pay will be one hour of regular pay for each regular workday on-call and two hours of pay for each non-scheduled workday on-call. An employee called in to work will receive a minimum of 2.5 hours of pay for reporting to the work site in addition to the on-call pay. Hours worked above the 2.5 hours will be paid at the applicable hourly rate.

TYPES OF LEAVE

Annual Leave

All full-time, 12-month non-faculty employees earn time off for vacation or personal business beginning with the first day of employment. Annual leave is credited to the employee on the last day of each bi-weekly pay period, except for the third payday in a month.

Requests to use annual leave should be submitted in advance to the appropriate manager. Annual leave may only be used with prior approval from the manager. The manager will indicate approval on the online timesheet, and approved and certified when payroll is due for processing.

Annual leave accrues for full-time 12-month employees as follows:

- 1 to 5 years service1 day per month
- 5 to 10 years service1 1/4 days per month
- more than 10 years service1 1/2 days per month

Time credited for leave accrual will include all previous Florida State College system service whether continuous or not. Annual leave credits in excess of 44 days at the end of the calendar year will be transferred to a special sick leave account. The maximum amount of annual leave that can be transferred to sick leave is 12 days and will be without compensation and cannot be used in the calculation of terminal sick leave pay. Employees have to choose this account when using sick leave for it to be deducted from this one and not their (primary) sick leave. Personal leave used is deducted from the employee's account primary balance of sick leave (i.e., not transferred from the annual leave account).

Terminal Pay for Annual Leave

Upon separation from the College, employees will receive payment for earned but unused annual leave not to exceed an amount equal to 44 days of pay. Employees participating in the Deferred Retirement Option Program (DROP) may receive payment for unused annual leave upon beginning or ending DROP.

Upon separation from the College, employees with a payment of \$5,000 or more will receive payment for earned but not taken annual leave not to exceed an amount equal to 44 days of pay via the College's 401(a) and 403(b) Special Pay Plan.

Sick leave is earned from the time a full-time employee is first employed and is credited on the last day of each pay period, except for the third payday in a month. Sick leave for full-time employees shall accrue at the rate of one (1) day for each calendar month or major portion thereof of service, not to exceed 12 days for each fiscal year. Sick leave shall be cumulative from year to year.

An employee who needs to be absent from work due to illness as defined below shall notify their manager, if possible, before the opening of the College on the day that the employee must be absent or during the day except for acceptable emergency reasons. Before claiming and receiving sick leave compensation for the time absent, the employee must file the appropriate sick leave form in accordance with established procedures.

Sick leave use may be authorized by the President or the President's designated representative for the following reasons:

- personal sickness, disability, extended personal illness,
- appointments with a doctor, dentist, or other medical practitioner for the employee or minor dependents and/or
- illness/injury or death of the employee's father, mother, brother, sister, husband, wife, child, or other close relative, or member of the employee's own household.

Full-time employees may accumulate sick leave by transfer of earned annual leave credits as specified in the District Board of Trustees Policy 6Hx20-4.0111 Sick leave credits accumulated by such annual leave transfer must be used before using earned sick leave credits.

Accumulated sick leave may be transferred from another Florida State or Community college, the Florida Department of Education, the State University System, a Florida district school board, or a state agency, provided that at least one-half of the sick leave accumulated at any time must have been established at Pensacola State College.

Terminal Pay for Sick Leave

Full-time employees with at least five years of service whose employment is terminated for any reason from the College shall be entitled to terminal sick leave pay. The terminal pay is calculated by taking the employee's hourly rate of pay multiplied by the percentage factor from years of service times the number of accumulated sick leave hours. The terminal sick leave pay shall not exceed an amount as determined below:

Years of Service	Percent of Leave Pay Off
• at least 5 but not more than 8 years.....	35% of unused hours
• after 8 years of service.....	40% of unused hours
• after 9 years of service.....	50% of unused hours
• after 14 years of service.....	52 ½% of unused hours
• after 19 years of service.....	55% of unused hours
• after 24 years of service.....	57½% of unused hours

No payment will be made for unused sick leave for employees with less than five years of service. Years of employment at other agencies will not be considered for length of service if the employee previously received terminal pay benefits based on unused sick leave.

Sick leave credits accumulated by transfer of annual leave shall be without compensation and shall not be used to calculate terminal sick leave pay.

If any employee receives terminal pay benefits based on unused sick leave credit, all unused sick leave credits will become invalid. If an employee who terminates employment without receiving terminal pay benefits is re-employed, their sick leave credit will be reinstated if earned at Pensacola State College. If leave credits were earned at another agency, leave will be reinstated according to Florida Statutes.

Terminal pay benefits, based on unused sick leave credit, specified by this policy for employees terminating their employment by the College are less than the terminal pay benefits the College can grant under State Law.

Terminal pay benefits not to exceed an amount determined by multiplying an employee's hourly rate of pay by 50% plus, for the next 20 years, an additional 2.5% for each year of service beyond ten years, times the number of days of accumulated sick leave, may be offered by the College to full-time employees with more than ten years services as part of any retirement/separation incentive programs adopted by the Board, provided such terminal pay benefits do not exceed a total of the employee's daily rate of pay multiplied by the number of days of accumulated sick leave.

Terminal pay benefits for all College employees who separate from the College and have a payment due of \$5,000 or more will be paid this amount via the College 401(a) and 403(b) Special Pay Plan."

If a full-time employee with sick leave credits is terminated by disability retirement under FRS provisions or by death, the College shall pay to the employee or the employee's beneficiary or estate terminal pay benefits based on unused sick leave credit in the maximum amount allowed by state law.

Sick Leave Pool

Full-time employees may voluntarily participate in a "pooling" of accrued sick leave for use by the participating employees. The following guidelines have been established:

- Full-time employees shall be eligible to participate after one consecutive year of Pensacola State College employment and must have at least five days of unused sick leave hours at the time of the pool's open enrollment. Members shall make equal contributions to the pool. The initial contribution is one day of unused sick leave. Sufficient notice will be given if a further contribution is necessary.
- Use of the sick leave pool hours is limited to the employee's own personal injury, major illness, or accident.
- Enrollment for new members occurs in March and September.
- The employee must use the balance of their own sick leave and annual leave and serve a 10-day waiting period prior to drawing from the pool hours. Maximum use is 45 days per contract/fiscal year and a total of 90 days within any three consecutive years.
- Employees who chose to stop participating in the pool (by signing a statement) will not be eligible to withdraw any sick leave hours already contributed to the pool.
- A designated committee shall administer the sick leave pool, including investigating any alleged abuse of the pool.

Administrative Leave

Paid administrative leave may be granted and authorized by the College President. The approval shall be provided to the Human Resources and Payroll departments for proper pay and recordkeeping purposes.

Personal Leave

Full-time employees may be absent from duties, with pay, for personal reasons no more than four (4) days per fiscal year, provided an appropriate leave request is filed and approved in advance by the appropriate manager and the College. Personal leaves of absence shall be charged to accrued sick leave and shall be noncumulative. Personal leave beyond the maximum of four days per fiscal year will be without compensation and at the discretion of the College.

Military Leave

Full-time employees are granted up to seventeen (17) calendar days of leave with pay per calendar year upon presentation of official orders. Extended military leave may be granted without pay if required to serve in the armed forces of the United States or the

State of Florida in fulfillment of obligations incurred under selective service laws or obligations of membership in armed forces or National Guard reserves. The College complies with the Uniformed Services Employment and Re-employment Rights Act of 1994.

Consulting Leave

The President may grant consulting leave for full-time administrators who may use up to 12 days of professional leave per fiscal year for educational or education-related consulting.

This leave is noncumulative and cannot exceed three (3) consecutive workdays at a given time. The administrator cannot receive compensation for consulting at another Florida state-funded agency where dual compensation would result.

Professional Development Leave

The President may grant leave to further formal education at the graduate or post-graduate level or for activities contributing to professional development. Eligibility will be established by working at PSC in designated professional positions (Executive or Managerial/Professional Salary Schedules) for a minimum of five consecutive years.

Professional development leave may be granted for six (6) months or less at full pay or at half pay for more than six (6) months to one (1) year. Eligibility to apply for subsequent terms of Professional Development Leave will begin after serving five (5) consecutive years beginning with the completion date of previous leave.

Temporary Duty Assignments

Employees may be temporarily assigned to be absent from their regular duties to perform other educational services, including participation in school surveys, professional meetings, studies, or workshops. Employees will receive their regular pay and temporary duty assignments are

considered equal to their regular duties; therefore, the employee is not to be considered to be on leave while performing temporary duty. College administrators initiate temporary assignments and should be mutually agreeable to the College and the employee. Assignments of temporary duty will be made only for the benefit of the College.

Release Time for Study for Career Service Employees

Full-time career service employees may be granted leave during normal working hours to take courses on campus appropriate to enhancing job-related knowledge, skills, and abilities including degree-seeking components in an approved study plan. Release time is available for up to three (3) hours per week to enroll in a Pensacola State College course or workshop. Input of hours for release time is under Workday's "Time" app. Guidelines for using release time are listed on the back of the Career Service Release Time for Study Form.

Release Time for Fitness/Wellness Program

Employees may request up to ninety (90) minutes per week (30 minutes three times per week or 45 minutes two times per week) for participation in the College's Employee Wellness Program. Release time is usually designed at the workday's beginning or end. The employee should use a Pensacola State College fitness-facility fitness facility or enroll in one of the employee courses offered for this purpose. If the manager wishes to allow release time at some other time throughout the workday, the employee and the manager should mutually agree upon a time so that the efficiency within the department is least affected. To implement the exercise program, the employee should:

- Request permission from their manager to participate.
- All hourly (non-exempt) employees must record Release Time for Exercise on the "Time" app in Workday. Exempt employees should arrange their schedules with their immediate manager.

Court-Related Service

An employee summoned by a court of competent jurisdiction to serve on a jury or subpoenaed as a witness in any case in which he/she is not one of the litigants will be granted leave with pay if a request is filed with the department head. Prior to receiving compensation from the College, the official certification from the court with the days served for jury duty must be submitted through an upload to Workday and during the pay period the jury duty occurs. The employee will retain jury fees payable to the employee. An employee involved in litigation on behalf of the College or due to action as an employee will not use court-related service. Their appearance in such cases will be considered in the work time. Employees will be paid per diem and travel expenses by F.S. and board policy but will be required to turn over any fees received from the court to the college.

Leave of Absence

Leave of absence with or without pay occurs when an employee is absent from duties for a specific period, with the right to return to employment upon expiration of leave, and has the approval of the President for the absence. Unless otherwise provided by law, the granting of

leave is at the discretion of the College. All leave requests, except personal leave and annual leave, require a specific reason.

Family and Medical Leave Act

Pensacola State College complies with the Family and Medical Leave Act (FMLA) of 1993 and does not interfere with, restrain, or deny the exercise of any right provided under FMLA. An eligible employee will be granted 12 weeks of unpaid leave, counting paid and unpaid time with job protection. During the leave, there will be no loss of accumulated service, and the College will continue to pay health and life insurance premiums for the employee's coverage. Family and Medical Leave may be used during any 12 months for one or more of the following reasons:

- Birth and first-year care of a child. Leave must conclude within 12 months of birth and may be taken by either parent.
- Adoption or foster placement of a child in the employee's home. Leave must conclude within 12 months of placement and may be taken by either parent.
- Care for a serious medical condition of the employee's spouse, child, or parent.
- Illness or medical condition of the employee, which prevents the employee from working due to a serious health condition.

To be eligible for leave under this policy, an employee must have been employed by Pensacola State College for 12 months and worked at least 1,250 hours as a Pensacola State College employee during the 12 months preceding the leave.

Husbands and wives employed by Pensacola State College are jointly entitled to a combined total of 12 weeks of family leave for the birth or placement of a child for adoption or foster care.

Military Family Leave Entitlements:

In January 2009, the law added provisions for a 12-week in 12 months for qualifying exigency arising from a spouse, son, daughter, or parent of the employee on active duty. Additionally, a 26-week leave may be granted for the care of a covered service member for 12 months.

Leave Without Pay

The use of leave without pay, when an existing balance of comp time, annual leave, and/or sick leave is available, will be at the manager's discretion with senior level administrator's approval.

If an employee finds it necessary to be absent for a period of time up to twelve (12) weeks, they may apply to their manager for leave without pay for the period of time required. Leave without pay request is processed as an input on the Workday screen, "Time Off."

If the reason for absence is qualified under the Family and Medical Leave Act (FMLA), the requestor should inform the manager, indicate it on the screen choice, and consult Human Resources for processing within the FMLA guidelines.

Leave without pay for a period of time up to 12 weeks must be approved by the President or designee and reported to the Board of Trustees. For leaves extending beyond 12 weeks, the President may grant such leaves with the approval of the Board of Trustees. Leave shall

not be granted for more than one year except for military leave. Leave may be renewed, but not automatically.

An employee incapacitated due to physical or mental illness may, with the approval of the President, be placed on leave without pay until such time the employee is able to return to work.

If an employee is unable to work due to a serious health condition by FMLA and is in an unpaid leave status for more than 12 weeks, the leave status will be considered an unpaid FMLA leave for the first 12 weeks and a separate leave if the leave extends beyond 12-weeks. If an employee continues to be incapacitated for a period of time in excess of 12 weeks, the Board may terminate the employee's employment. The College will continue to pay basic medical and life insurance benefit premiums for the employee only for the first 12 weeks of approved leave.

On-the-Job Injury Leave — Illness in the Line of Duty

Full-time employees are eligible for paid time under illness in the line of duty leave when they have to be absent from work due to temporary total disability, due to an injury received in the discharge of duty, or because of illness from any contagious or infectious disease contracted in college work.

The length of leave is up to 12 duty days per incident, in addition to sick leave, including any holiday for which the employee would have been paid if on duty, provided that compensation shall be limited to the current regular pay rate for actual duty days or fraction thereof.

The employee's online timesheet must indicate the drop-down leave choice of “On the job injury” by showing the appropriate days of absence with the number of work hours per day. Approval of this leave will be forwarded to the Human Resources Director, who will verify the lost time. Questions may be referred to Human Resources or by reviewing Board Policy 4.018.

Resignation

When an employee resigns from Pensacola State College, they must notify the manager at least two weeks before the effective date of the resignation by providing a written document or in an email. Failure to provide written notice of intent to resign may be considered job abandonment and affect the eligibility for rehire. Human Resources will send an electronic notice (pre-exit) to inform the terminating employee of upcoming steps of the process. On or near the last day of employment, the employee will complete a proper exit process, which includes a discussion of eligibility of continuation of insurance coverage under federal law, final pay, and, if applicable, leave payouts. Keys, IDs, electronic devices, credit cards, and other assigned college property must be returned to the college upon departure. Failure to return college property may result in delayed processing of final pay and a \$100 fee for non-returned keys.

Absence Without Leave/Job Abandonment

An employee who is willfully absent from duty without leave shall forfeit compensation for the time absent and shall be subject to dismissal or cancellation of their contract by the Board. Absence of three consecutive days without authorization shall constitute termination of employment. The manager must contact Human Resources if an employee abandons their job.

BENEFITS AND INSURANCE COVERAGE

Health Insurance

All full-time employees and their eligible dependents may enroll under the Pensacola State College group plan for health insurance coverage. Coverage includes office visits, hospitalization, prescription drugs, and other health needs. Employees will be notified of details of the plan upon hire.

New employees have 30 days to enroll themselves and/or eligible dependents. Documentation will be required for adding dependent(s), and the employee will be advised of acceptable types of documentation.

Once an open enrollment ends or 30 days from the hire date expires, employees may make changes only when a change in status event occurs. The Internal Revenue Service outlines change in status, and employees' requests for changes will be reviewed on a case-by-case basis by the appropriate human resources representative. Further information is available in Human Resources.

Health Savings Account (HSA)

An HSA paired with an HSA-qualified high deductible health plan (PPO 5190/5191) allows participants to make tax-free contributions to an FDIC-insured savings account. Balances earn tax-free interest and can be used to pay for qualified medical expenses. HSA-qualified health plans typically cost less than traditional plans, and the money saved may be deposited into your HSA. Participants receive an annual initial employer contribution to help offset the deductible (employer contributions vary depending on the coverage level). HSA members may contribute to their account on a pretax basis, earning interest. Funds used for qualified medical expenses are tax-free. HSA funds can be invested for increased tax-free earning potential. Unlike flexible spending accounts (FSAs), the entire HSA balance rolls over each year and remains yours even if you change health plans, retire, or leave your employer.

Part-time Employee Health Insurance Offering

Pensacola State College offers eligible part-time employees healthcare coverage based on the Affordable Care Act (ACA). Eligible part-time employees who average 30 hours per week during an established “look back” period qualify for health insurance effective January 1 of the following year. The “look back” period refers to the average number of hours worked in the prior year the coverage was offered. If a part-time employee is determined to be eligible for healthcare coverage through the College, an email notification and written correspondence to the home address containing the plan benefit schedule and enrollment form will be provided. Selection for the plan will occur no later than in December, and the cost will be paid via payroll deduction. Employees who do not receive a paycheck during the year will receive an invoice from Pensacola State College Cashiers' Department. The monthly premium will be due by the 5th of the month in which coverage is effective. Failure to make monthly payments will result in cancellation of coverage. For more information regarding the health plan, please contact the Human Resources Department at 850-484-1731.

Life Insurance

All full-time employees of Pensacola State College are eligible and covered by the college-provided Basic Life and Accidental Death and Dismemberment (AD&D) Insurance Policy of \$75,000. An age reduction applies to this life insurance.

Pensacola State College pays premiums on life insurance up to \$50,000. Employees may contribute the required payroll deduction amount to have an additional \$25,000 level of coverage.

Age 65 through 69

Coverage is reduced by 35% of the pre-age 65 amount until age 70.

Age 70 through 74

Coverage is reduced by 50% of the pre-age 65 amount until age 75.

Age 75 and up

Coverage is reduced by 25% of the pre-age 65 amount.

Supplemental Life

Employees may elect supplemental life insurance coverage at one, two, or three times their salary, not exceeding \$500,000. The life insurance company requires evidence of insurability for increases to supplemental coverage for any amount over one times salary.

Dependent Life

Coverage is available for eligible dependents. The coverage includes \$20,000 for a spouse and \$10,000 for the child(ren) to age 26. Questions concerning life insurance should be directed to Human Resources.

Florida Retirement System (FRS)

FRS (Pension Plan)

PSC is a participating agency with the Florida Retirement System (FRS). The pension plan is a defined-benefit option available through the (FRS). It is a traditional retirement plan designed for longer-service employees with a vesting period requirement of eight years of service. The guaranteed retirement monthly benefit is determined by the employee's age, average final salary, years of service, and other factors. A state-mandated employee contribution of 3% of the employee's earnings is deducted on a pre-tax basis.

The FRS determines Employer contribution rates each year and is subject to change.

FRS (Investment Plan)

The investment plan is a defined contribution plan available through FRS. This option is a portable retirement plan designed for mobile employees. The vesting period requirement is one year of service. The retirement benefit amount will depend on the investment options, accumulations, investment returns and account fees, and other factors chosen by the employee that might contribute to the account growth of the employee's earnings deducted. The employee

selects their preferred investment options. There is a state-mandated employee contribution of 3% on a pre-tax basis on wages earned.

The FRS determines Employer contributions each year and is subject to change.

Deferred Retirement Option Program (DROP)

The Deferred Retirement Option Program (DROP) is a program that allows qualified pension plan participants to retire without terminating employment for up to eight years of eligibility while the retirement benefit accumulates and earns interest compounded monthly at an effective annual rate of 4.0%. When the DROP period ends, the employee must terminate employment. At that time, the accumulated DROP benefits are available. DROP participants do not contribute the 3% employee contribution.

For those enrolled in the FRS prior to July 1, 2011, normal retirement is age 62 with at least six years of service or 30 years of service, regardless of age. For Special Risk Class members, normal retirement is age 55 with at least six years of Special Risk service, or 25 years of Special Risk service, regardless of age, or age 52 with 25 years of Special Risk service and military service.

Other Retirement Plans

Employees who may qualify for Special Risk or Senior Management Service Class will be advised upon hire or position change. All employees, except DROP enrollees, will contribute the state-required employee contribution from their salaries.

Contact Human Resources for more details or log on to www.myfrs.com. When planning for retirement, the employee must contact Human Resources at least 60 days before the anticipated retirement date.

Flexible Benefits Plan

A flexible benefits option is available to all full-time employees under Section 125 of the Internal Revenue Service Code. With the exception of changes in status events, enrollments and changes may be made only once per year during an established open enrollment period. Human Resources has further information.

Medical Reimbursement

Employees may choose an amount to be deducted from their bi-weekly pay, which will be pre-taxed. The IRS sets the annual maximum amount a plan participant may elect. This amount is set up in an account where the employee may file qualified unpaid medical, dental, and vision expenses, plus limited over-the-counter products for reimbursement. Enrollments are during the end of the year for a January 1 effective date or may be made throughout the year for an approved change in status event. A debit card is available to plan participants to use for qualifying expenses. Participants need to establish an online account at www.eagles.com. Information is available from Human Resources.

Dependent Care Reimbursement

The plan allows employees to set aside money from their paycheck for expenses incurred for day care of a qualified dependent. The paycheck deduction amount is pre-taxed. Information is available in Human Resources.

Dental Insurance

Pensacola State College offers employees a dental plan that includes preventive, basic, and major dental work coverage and is an employee-paid benefit. Ameritas offers a high or low plan. More information can be obtained from Human Resources.

Vision Insurance

Ameritas offers a choice of two plans and is an employee-paid benefit. Providers include Eye Med or VSP. More information can be obtained from Human Resources.

Additional Benefits and Available Plans

Other benefits are available to full-time Pensacola State College employees. Information can be obtained from Human Resources. Options included are:

- Additional Life Insurance
- Cancer and Intensive Care
- Credit Union membership
- Deferred Compensation Plans 457(b)*
- GAP (GIM) protection insurance
- Income Protection, Disability, and Supplemental Accident
- Legal Shield/ID Shield
- Long Term Disability
- ROTH 403(b)*
- Short Term Disability
- Tax Sheltered Annuities 403(b)*
- Vision Coverage

Representatives from companies offering additional benefits must be contacted for explanation and enrollment. The list of authorized suppliers for payroll deduction is available in Human Resources or at the College's website Benefits link.

*Part-time employees may participate through payroll deductions.

Consolidated Omnibus Budget Reconciliation Act (COBRA)

The Federal law, COBRA (Public Law 99-272, Title X), requires employers sponsoring group health insurance plans to offer employees and their dependents the opportunity for a temporary extension of coverage. A person qualifying under the COBRA law may elect coverage at their cost for a specified time, available under the group plan and at the group rate, plus an administrative fee. Further information may be obtained by contacting Human Resources.

Workers' Compensation

Florida's Workers' Compensation Law is intended to facilitate an employee's return to gainful employment and ensure a cost-effective delivery of appropriate payments to an employee injured in the normal course of duties.

Regardless of where or how it occurs, all on-the-job illnesses and/or injuries must be reported immediately to the employee's immediate manager and Human Resources Director at 850-484-1766, as state law requires. Human Resources will create a medical referral for treatment and provide follow-up with the facility, the worker, and the manager. Human Resources will assist the employee with the proper use of leave and payments received from workers' compensation. Out-of-state workers must be provided with the specific state-required poster of workers' compensation.

If, after twelve (12) days of injury/illness in the line of duty, an appropriate medical authority still considers the employee disabled from performing their assigned job, they will be eligible for workers' compensation pay under the guideline of Florida law at a rate of 66 2/3 percent of the employee's average weekly earnings based on 13 weeks prior to the injury/accident. Accrued sick and annual leave may be used proportionately so that the total amount of pay received equals full pay.

According to Florida law, workers' compensation payment for the first seven days of lost time is not payable unless more than 21 days are missed. Any workers' compensation payment made for any portion of time for which full payment was made to the employee by the College shall be endorsed to the District Board of Trustees and turned in to Human Resources. Double compensation for the same period is forbidden by state law.

Cosmetic Arts

The Cosmetic Arts programs are located on the Pensacola Campus in Building 12 and the Milton Campus in Building 4300. The Pensacola program includes Cosmetology, Barbering, Nails, Facials, and Massage Therapy. Students provide low-cost services in each program as part of their training and education. Day and evening appointments are available, depending upon the service. To make an appointment or to ask a question, call 850-484-2567.

To make an appointment for Cosmetology services at the Milton Campus or to ask a question, please call 850-484-1397. A list of available services and prices is available at the College's website under the "Community link" by scrolling to "Salon Services."

Culinary and Hospitality

Culinary and Hospitality programs are located at the Pensacola Campus in building 5. During the fall and spring semesters, culinary and hospitality students prepare and serve lunches and dinners as a part of their education and training. They are offered at a low cost to PSC faculty, staff, students, and the general public.

Reservations may be made by going to the College's website under the "Community link" and scrolling to "Lunch and Dinner Series by Culinary Management."

Dental Clinic

Full-time employees are eligible for free dental treatments provided by student hygienists in the Pensacola State College Dental Hygiene Clinic at the Warrington Campus building 3100. Treatments such as X-rays, fluoride treatment, and teeth cleaning are available. For an appointment, call the clinic at 850-484-2236.

Employee Assistance Program (EAP)

An Employee Assistance Program (EAP) is offered to employees for counseling relating to family, financial, emotional, or personal concerns and substance abuse issues. Limited counseling is free to full-time Pensacola State College employees and dependents. Information is available in Human Resources at the HR Benefits web link or by calling Lakeview Center, Inc. at 850-469-2383.

Discount Programs

Pensacola State College occasionally receives offers for discounts at various entertainment venues and businesses. Any offers will be directed to senior-level administration for consideration and approval. Approved offers will be distributed by web link, email, mail, or posting flyers.

Swimming Pool

The swimming pool is reserved for open swim time during lunch hour, evenings, and Saturdays. Call 850-484-1311 for information and open hours.

Parking

Parking is free on campus. All employees and students must register their vehicles with the Public Safety/College Police Department to receive a parking permit. Vehicle registration, Pensacola State College ID card, and/or Pensacola State College class schedule must be presented at the time of registration. An information sheet with traffic rules and regulations will be issued with the decal.

Pensacola State College Art Exhibits

The Visual Arts Gallery at Pensacola Campus hosts a variety of exhibitions each year including Art Faculty and Annual Student shows. All events are free of charge and open to the public; for a schedule of events, call 850-484-2550 or 850-484-2564.

Campus Fitness Centers

Employees may use the campus fitness centers by completing a lab course that explains the proper use of facilities and safe practices. Information may be obtained by contacting the fitness center at the appropriate location.

Educational Assistance

Employees are encouraged to enroll in courses offered by the College. Employees with six months of full-time service and dependents may apply for a scholarship. The District Board of

Trustees has authorized a maximum of (12) credit hours per term. Lab fees are not included. The employee or dependent must be making satisfactory academic progress. The dependent may not have exceeded 90 attempted credits, including transferred credits. Information may be obtained in the Procedure manual under Fee Waivers/Scholarships.

Staff Professional Development (SPD)

The Staff Professional Development office is available to assist employees with professional development and training needs. The SPD Office establishes workshops, seminars, and specialized training to help staff update and improve their knowledge and skills. Details concerning College Committees are kept by the Staff Professional Development office and online at www.pensacolastate.edu/spd “standing committees.” To obtain information, call 850-484-1953 or 850-484-1754.

Hazardous Materials and Wastes

Pensacola State College takes every precaution against hazards usually associated with handling and disposing of hazardous chemicals and wastes to avoid human and environmental exposures. Since the College is a small quantity generator of hazardous wastes, it complies with mandated Federal, State, and Local regulations governing the management and disposal of hazardous wastes. These regulations require the College to determine if any given waste is hazardous and, if so, manage and dispose of it in accordance with regulations. The Hazardous Materials Contingency Plan specifies policies and procedures for handling hazardous materials, emergencies, and waste disposal by OSHA, EPA, DOT, and other regulations.

Occupational Exposure to Bloodborne Pathogens

Pensacola State College adheres to a policy of employee protection and workplace safety as prescribed by the Occupational Safety and Health Administration (OSHA) Bloodborne Pathogens Regulation 29 CFR 1910.1030, effective July 2016. All employees exposed to bloodborne pathogens require OSHA training in occupational exposure control procedures. Employee training sessions will be arranged by the areas needed. Adherence to the policies and procedures contained in the College's Occupational Exposure Control Plan is required of all employees. The plan is available by contacting the Plant Operations Department.

DISCIPLINARY ACTION PROCESSES

To strengthen the employer/employee relationship, guidelines are designed to allow managers to be consistent when taking disciplinary action. A manager contemplating disciplinary action shall review the relevant circumstances with appropriate administrators and the Director of Human Resources prior to initiating the action.

Disciplinary action may involve oral reprimand, written reprimand, suspension, or termination, depending upon the degree or seriousness of the deficiency or problem. Action shall be taken only after a thorough investigation of the problem.

It is recognized that the type of discipline used may vary in each case depending on the employee's past work record, seniority, replacement ability, the severity of the conduct, and other

reasons related to the efficient operation of the College. Nothing herein shall require that any particular type of discipline be used as a condition precedent to use another form of discipline.

ALCOHOL / DRUG ABUSE

In keeping with its educational mission, Pensacola State College will utilize primarily educational strategies as its major approach to addressing problems related to the abuse of alcohol and other drugs by any member of the college community (students, faculty, and staff). However, any member of the college community who violates the drug and alcohol policy will be subject to prosecution and punishment by the civil authorities and to disciplinary procedures of the College.

The District Board of Trustees of Pensacola State College adopts this policy to accomplish the following:

- Prevent the abuse of alcohol and drugs through a strong educational effort
- Encourage and facilitate the use of counseling services and rehabilitation programs by those members of the college community who require their assistance in stopping the abuse of alcohol and other drugs and
- Discipline appropriately those members of the college community who engage in substance abuse and related behaviors.

Educational Efforts

In keeping with its primary mission of education, Pensacola State College will conduct a strong educational program aimed at preventing the abuse of alcohol and other drugs.

Educational efforts shall be directed toward all members of the college community and will include information about the incompatibility of the abuse or sale of alcohol and other drugs with the goals of Pensacola State College; the health hazards associated with the abuse of alcohol and other drugs; the incompatibility of alcohol and other drug abuse with the maximum achievement of educational, career, and other personal goals; and the potential legal consequences of involvement with alcohol and other drugs.

Counseling and Rehabilitation Services

Those faculty or staff who seek assistance for an alcohol or drug-related problem shall be provided with information about counseling and rehabilitation services available through Human Resources and/or Employee Assistance Program and other community resources. Those individuals who have failed to voluntarily avail themselves of such services shall be assured that applicable professional standards of confidentiality will be observed. For those working in good faith with the Employee Assistance Program, every attempt will be made to return the individual to full employment status. More information can be obtained by calling the Baptist Hospital Behavioral Medicine Center at 850-469-2383 or Human Resources at 850-484-1766.

Disciplinary Actions

Students, faculty members, administrators, and other employees are responsible, as citizens, for knowing and complying with the provisions of Florida law that make it a crime to possess, sell,

deliver, or manufacture those drugs designated collectively as "controlled substances" in Chapter 893 of the Florida Statutes. The following minimum penalties shall be imposed for the particular offenses described.

College Regulations Governing Illegal Drugs

1. Trafficking in Illegal Drugs

- For the illegal manufacture, sale or delivery, or possession with intent to manufacture, sell, or deliver, of any controlled substance identified in Schedules I and II of Chapter 893.03 of The Florida Statutes, [including, but not limited to, heroin, cannabis, mescaline, lysergic acid diethylamide (LSD), opium, cocaine, amphetamine, MDMA (ecstasy), methaqualone], any student shall be expelled, and any faculty member, administrator, or other employee shall be discharged.
- For a first offense involving the illegal manufacture, sale, delivery, or possession with intent to manufacture, sell, or deliver any controlled substance identified in Schedules III through V of Chapter 893.03 of the Florida Statutes (including, but not limited to, steroids, diazepam, Phenobarbital), the minimum penalty shall be suspension from enrollment or employment. Any student shall be expelled for a second offense, and any faculty member, administrator, or non-probationary employee shall be discharged.

2. Illegal Possession of Drugs

- For a first offense involving the possession of any controlled substance identified in Schedules I or II of Chapter 893.03 of the Florida Statutes, the minimum penalty shall be suspension.
- For a first offense involving the illegal possession of any controlled substance identified in Schedules III through V of Chapter 893.03 of the Florida Statutes, the minimum penalty shall be probation for a period to be determined on a case-by-case basis. A person on probation must agree to participate in drug education and a counseling program, consent to regular drug testing and accept such other conditions and restrictions as the appropriate College official deems appropriate.
- For refusal or failure to abide by the terms of probation or second or other subsequent offenses involving the illegal possession of controlled substances, progressively more severe penalties shall be imposed, including expulsion of students and discharge of faculty members, administrators, or employees. These penalties will be enforced by the college's disciplinary procedures and/or the collective bargaining agreement.

3. Possession, Sale, or Consumption of Alcoholic Beverages

Possession, sale, or consumption of alcoholic beverages on campus or at off-campus college-sponsored activities is prohibited unless specifically authorized. Alcoholic beverages include, but are not limited to, beer, wine, distilled spirits, wine coolers, and liqueurs.

State Laws are outlined as follows:

- **Drinking Age** — The legal drinking age in Florida is 21. Selling, giving, or serving alcoholic beverages to a person under 21 is unlawful in Florida; this law extends to the possession of alcoholic beverages by anyone under 21. It is illegal for anyone to misrepresent or misstate

their age. This includes the manufacture or use of false identification. Use of altered identification for the purpose of procuring alcoholic beverages is a felony.

- **Open Container Law** — It is unlawful for any person to consume or possess open containers of alcoholic beverages while in municipal parks, playgrounds, or on sidewalks or streets.
- **DUI (Driving Under the Influence)** — A person is guilty of the offense of DUI if such person is driving or in actual physical control of a vehicle and the person is under the influence of alcoholic beverages, any chemical outlined in Section 877.111, F.S., or any substance controlled under Chapter 893, F.S., when affected to the extent that his/her normal faculties are impaired, or the person has a blood alcohol level of .08 or higher.

Conditions for Immediate Suspension

When the College has charged a student, faculty member, administrator, or another employee with a violation of policies concerning alcohol and other drugs, they may be suspended from enrollment or employment before initiation or completion of regular disciplinary proceedings if assuming the truth of the charges; the responsible authority concludes that the person's continued presence within the College community would constitute a clear and immediate danger to the health or welfare of other members of the College community.

An immediate suspension and subsequent hearing will be by college disciplinary procedures and/or the collective bargaining agreement.

Civil Conviction for Drug and Alcohol Offenses

If employees of Pensacola State College, in the performance of college duties within the scope of their employment, are convicted of an offense related to drugs, they will be subject to the same penalties as the offense would warrant if the offense were committed on college property or at a College-sponsored event. The term "conviction" means a finding of guilt (including a plea of nolo contendere) or, imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes. The individual involved is required to notify the College of the conviction or incident within five (5) working days following said conviction or incident.

PROBLEM-SOLVING AND GRIEVANCE PROCEDURES

Informal Problem Solving

Any College employee with a work-related complaint, problem, or concern shall address this problem through appropriate channels on the campus site.

Discussions to resolve these concerns should begin with the immediate manager and, if not resolved, should progress to the next manager level, up to and including the appropriate senior-level administrator.

The appropriate senior-level administrator is charged with addressing problems that may arise and will make every effort to resolve them in a mutually satisfactory manner.

DISTRICT GRIEVANCE PROCEDURE

Career Service, Faculty, and Administrators

Faculty may use these procedures or the procedures outlined in the CBA.

Statement of Purpose

The primary objective of the District Grievance Procedure is to provide a credible and practical method of addressing problems or complaints, and to assure the District Board of Trustees that each employee will receive fair treatment and an impartial hearing.

Definitions

Grievance — A violation or improper application of any of the following:

- Written policies and/or procedures promulgated by the state or the College, including those pertaining to salary, promotion, job classification, and leave.
- Disciplinary guidelines, unless alleged violation or improper application is considered during hearings held by the College's disciplinary procedures.
- A legally prohibited discriminatory act or practice.

Grievant — A grievant is any full-time or part-time employee in a budgeted position at Pensacola State College who professes a grievance or any group of employees professing the same grievance. Probationary (less than one year's service as a career service employee), adjunct, or temporary employees shall have access only to the Informal Problem-Solving Procedure. Executive, managerial/professional personnel, as defined by the Office of Civil Rights classification, may direct their grievance to the College President via the Informal Problem-Solving Procedure.

Administration Representative — The individual designated by the College President to act as the primary representative of the administration during the formal grievance procedure.

FORMAL GRIEVANCE PROCEDURE

Initiation Time

If a problem has not been resolved using the Informal Problem-Solving Procedure at the campus level within four weeks of the time the immediate manager is made aware of the act or condition that is the source of the grievance, a formal grievance may be filed at the district level with Human Resources.

Forms

Grievance forms shall be available on the College's website or in Human Resources, Pensacola campus, building 7. Forms for grievances alleging constitutionally prohibited discrimination are available in the Executive Director of Institutional Diversity and Student Conduct's office in building 5. The Director of Human Resources shall forward the original grievance form to the appropriate Vice President and deliver copies to the associated manager.

Steps

- Senior level administrator. After the grievance form and related documents are filed, the appropriate senior-level administrator shall arrange a meeting with the grievant, managers, and other concerned parties to discuss the matter. The meeting shall be held within five working days of the date the grievance is filed in Human Resources. Following this meeting, the senior level administrator has ten working days to resolve the problem and provide a written response to the grievance, settling or denying the grievance. The grievance form, related documents, and a copy of the senior-level administrator's response shall be returned to Human Resources in a sealed envelope.
- Grievance Committee. Should the employee consider the senior level administrator's response unsatisfactory and maintain that a grievance still exists, he/she shall submit the grievance for a Grievance Committee review with the Grievance Committee Chairperson as appropriate, within five (5) working days of receipt of the senior level administrator's response.

Grievance Committee Formation

The three members of the Grievance Committee shall be selected from a pool that the administration will establish.

Pool — The pool will consist of fourteen persons, seven to be appointed by the College President.

Once committee members are selected, Human Resources will send the sealed envelope of grievance materials to committee members for review. The Grievance Committee shall conduct a hearing within ten (10) working days of its formation. Within five (5) working days of this hearing, copies of the committee's written opinion its findings, reasoning, and recommendations shall be sent to the President, the grievant, and the administrative representative.

Selection — The grievant shall contact the chair of the selected Pool, or the Director, Human Resources, as appropriate, to obtain a list of current members of the Grievance Committee Pool. From this list, the grievant shall appoint one person to serve on the committee. The College President or his designated representative shall appoint one committee member from the list. The first two Grievance Committee members shall choose a third person from the pool. If the members cannot agree on a third person, a name shall be drawn randomly from the pool.

Chairperson — The three committee members shall elect the Grievance Committee chairperson. Responsibilities of the chairperson shall include:

- Determining the time and place of the hearing.
- Assuring appropriateness of information submitted.
- Conducting an orderly hearing.
- Preparing a written summary of the findings, reasoning, and recommendations of the committee.
- Obtaining the signatures of all committee members on the written summary.
- Submitting the committee's written summary to the appropriate individuals.
- Arranging an official recording of the hearing for storage in locked files.

Conduct of Hearing

Conduct of the grievance hearing before the Grievance Committee shall be by following guidelines:

- The presiding officer at a grievance hearing shall be the duly elected chairperson of the hearing body.
- Attorneys may be present to advise the grievant and the managers involved but may not actively participate in the hearing procedure.
- All hearings shall be officially recorded by a representative of the Director, Human Resources, who will be available for technical interpretation of policies and procedures. The grievant and the administrative representative will also have the right to record the hearing and a copy of the official recording at no cost.
- Witnesses and documents to be used in the hearing shall be limited to those on a list submitted during the earlier meeting. The addition of new documents or witnesses at this point is not permitted unless mutually agreed upon by the administrative representative, the grievant, and the hearing body.
- If possible, all hearings shall be conducted during regular working hours. When requested to appear, a witness or participant shall be allowed time off to be present at the hearing.
- The Grievance Committee should set specific time limits for both parties' opening and closing statements. If desired, time limits may be set for the examination of each witness.
- Once the hearing is convened, the grievant shall first present his opening statement of the grievance and the remedy desired. Then, the administration shall make its opening statements.
- After witnesses have testified on behalf of one of the parties, they are to be questioned only by members of the hearing body. However, either party may provide written questions to the committee before or during the hearing, which the committee may wish to include in its questioning.
- After each party has completed the testimony and presentation of other evidence, the grievant shall summarize his case in a closing statement.
- The committee shall deliberate and reach a decision based on the testimony and evidence. The committee's decisions shall be by majority vote.

Conduct of Grievance Hearings Before the Board

Unless waived by the parties, all hearings held before the District Board of Trustees shall be by Section 120.57 and Section 120.58 of the Florida Statutes, as amended. Reasonable notice of at least fourteen (14) days shall be given of the hearing when scheduled by the board unless the requirement is waived by all parties. Notice shall include:

- A statement of the hearing's time, place, and nature.
- A statement of the legal authority and jurisdiction under which the hearing will be held.
- A reference to the sections of the statutes and rules involved.
- A short and plain statement of the matters asserted by all parties of record at the time of notice is given.

The presiding officer at a hearing before the Board of Trustees shall be the Chair of the Board, or, if the Board so elects, a panel of three (3) Board members may serve as presiding officers.

The Board shall provide for the accurate and complete preservation of all testimony in the proceedings, and on the request of any party, it shall make a full or partial transcript available at no more than actual cost. The witnesses and documents to be used at this hearing shall be those witnesses and documents submitted at the hearing before the Grievance Committee.

If either party intends to present or submit additional witnesses and/or documents to the Board, reasonable advance notice shall be given to the other party.

The Board will set time limits for the opening and closing statements by both parties to the grievance and may set time limits for the examination of each witness. After the hearing convenes, the grievant shall first present his/her opening statement of the grievance and the desired remedy. Then, the administration shall make its opening statements. After both parties have completed their presentation of testimony and other evidence, the grievant shall summarize his/her case in a closing statement. Then, the administration shall summarize its case in a closing statement.

At the hearing, unless otherwise agreed upon, all parties shall have an opportunity to respond, to present evidence and argument on all issues involved, to conduct cross-examination and submit rebuttal evidence, to submit proposed findings of fact and orders, to file exceptions to any order, or any hearing officer's recommended order, and to be represented by counsel. The public may be allowed to present oral or written communications when appropriate. If the Board proposes to consider such material, all parties shall be entitled to cross-examine, challenge, or rebut it.

The parties to a grievance may stipulate adopting a hearing procedure that is less formal and restrictive than the procedures outlined in Sections 120.57 and 120.58 of the Florida Statutes. Unless the Board thinks that the stipulated procedure would result in a lack of due process, the Board will adopt the stipulated procedure for that particular hearing. If a grievant chooses not to be represented by counsel at the hearing, then the administration will not be represented by counsel. The Board's attorney shall serve as legal advisor and consultant to the Board and may be called upon to rule on evidentiary matters and other points of law.

The final decision of the Board shall be by majority vote and will be in writing or stated in the record and include findings of fact and separately stated conclusions of law. It shall be rendered within forty-five (45) days:

- of the conclusion of the hearing, if conducted by the Board.
- of submission of a recommended order to the Board if the hearing is conducted by a hearing officer (recommended order must also be mailed to all parties involved), or
- of receipt by the Board of written and oral material it has authorized to be submitted, if there has been no hearing.

The forty-five (45) day period may be waived or extended with the consent of all parties.

GENERAL PROVISIONS

Reprisals

No reprisals of any kind shall be taken against any employee for filing a grievance.

Confidentiality

All participants in a grievance hearing are to protect themselves and their fellow participants by refraining from discussing grievances outside of the proceedings.

Storage of Records

All documents, forms, communications, and records dealing with the grievance shall be filed separately from the records of the participants.

Time Limits

The number of days at each level of discussion shall be considered the maximum, and every effort should be made to expedite the process. However, time limits may be extended by mutual consent of all concerned.

Failure to Meet Time Limits

Failure on the part of the grievant to act within time limits shall result in the grievance being dropped for consideration. Failure by the Grievance Committee or the College President to issue a written decision within the specified time limit shall advance the grievance to the next step.

Withdrawal

The grievant may withdraw a grievance at any level.

Direct Appeals

An alleged legally prohibited discriminatory act or practice may be presented by the grievant directly to the appropriate Vice President or senior-level administrator, with the appeal made to the College President and the Board of Trustees, if necessary. The Executive Director of Equity shall counsel all participants in any alleged discrimination grievance.

Jurisdictional

Disciplinary actions by the administration are not grievable. Employees entitled to a hearing due to disciplinary action taken by the administration shall pursue their rights under State Board of Education rules and the College's disciplinary procedures. Matters under active consideration by an external agency or court of law are excluded from the grievance procedure. Non-renewal of annual contracts may not be grieved.

Protection for Grievant

At no time in the process shall the grievant be threatened, intimidated, unnecessarily delayed, or otherwise discouraged from pursuing the satisfaction of the grievance.
