

**APA FORMAT: Citing FULL-TEXT ARTICLES**  
**From Library ARTICLE DATABASES**  
*<http://library.pensacolastate.edu/>*

The citation formats shown here are based on modified guidelines from the *Publication Manual of the American Psychological Association*, **6<sup>th</sup> edition, 2010**. Additional online APA format guides are available at <http://library.pensacolastate.edu/citing.shtml>.

For articles from library databases APA 6<sup>th</sup> edition requires a DOI (Digital Object Identifier). Always cite the article as it appeared in the original print document, then add the DOI if given. If the DOI is not given, include the name of the library database.

***Scholarly journal:***

Fisher, C., & Fried, A. (2003). Internet-mediated psychological services and the American Psychological Association Ethics Code. *Psychotherapy: Theory, Research, Practice, Training*, 40(1), 103-111. doi:10.1037/0033-3204.40.1-2.103. (DOI included)

Martin, D. M., Smith, R. M., Brittain, M., Fetch, I., & Wu, H. (2001, February). The privacy practices of Web browser extensions. *Communications of the ACM*, 44(2), 45+.  
doi:10.1145/359205.359226. (If there are more than eight authors, after the sixth author's name, insert three ellipses, then the remaining authors)

Wohlstetter, P., & Smith, J. (2006, February). Improving schools through partnerships: Learning from charter schools. *Phi Delta Kappan*, 87, 464-467. Retrieved from Education Full Text database. (No DOI included and no issue number as pagination is continuous through the volume)

**\*If a more strict interpretation of the APA Manual is required, give the URL of the journal homepage, even though the article is accessed in a library database.**
