

Books, eBooks, DVDs and streaming videos held at the three Pensacola State College campus libraries, or any of the other 27 Florida community colleges, may be located by using the new online catalog. **Items not held locally may be requested using the Request feature.** You *must log in to Request items and view ebooks and streaming videos.*

From the library homepage at <http://pensacolastate.edu/library>, click on **Books and More** and then **PSC Catalog...** Materials in all three Pensacola State College libraries will be included in the results.

Enter your search in the search box to locate materials held in the libraries such as books, eBooks, DVDs, etc. *Note location of Advanced Search link for more search options.*

Hits screen will display Title, Author and basic publication information. Campus location (and call number) and checked out status are noted. Icons help identify print books, ebooks, DVDs, etc.

Locations will provide other locations for the material at PSC and at any other Florida state college.
Request Item requires login to request an item be sent from one campus or college to another. See notes on back for a timeline.

Details may provide *Example Citations* and *More Details* which can include book reviews.
Reviews & Tags allows users to log in and add a Tag to the item.
