

## Find Books/Media Using WorldCat

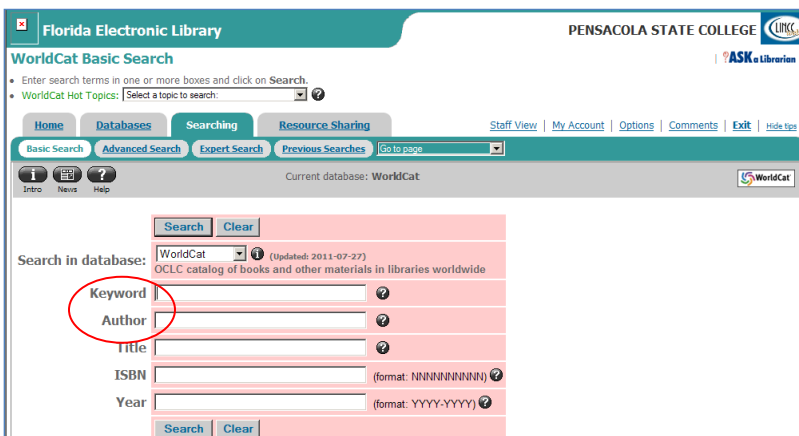

Need to search for books and/or media not found using the Pensacola State or UWF library catalogs? *WorldCat* is a worldwide catalog which lists books and media held in libraries around the world, with an emphasis on U.S. academic and public libraries. Books and media can be requested online through WorldCat. To use *WorldCat*, follow these steps:

From the library homepage, at <http://www.pensacolastate.edu/library/>, mouse over **Articles and Journals**, then click on **Databases A to Z**.

At the bottom of the list of databases, select **WorldCat**. To log in, use the drop down menu to select Pensacola State College. The **Borrower ID** is the **14 digit barcode number** from the **Pensacola State ID card**. The PIN is the last 4 of your SSN#. The barcode number appears in *Spyglass* as your Fla. State library number.

Once logged in, the basic **WorldCat** search screen will open. Search options include: *Keyword, Author, Title, ISBN* and *Year*. Not all options must be used. For more options, select **Advanced Search**.
