

**Subject:** Navy Hospital Orientation

**Date:** August 1, 2008

**Message:** Navy Hospital requires that each individual that will be doing clinical at their facility to complete Sacred Heart Hospital's orientation.

If you have recently done the Sacred Heart Hospital orientation, ensure that all of your orientation is **up to date!**

Make a copy of the training transcript for **the department, your clinical instructor** and **yourself**. Turn in the department's copy with a "information/cover sheet" (This can be found on the Health-Related Program page of P.J.C.'s website.
