RESIDENCY INFORMATION

Florida and Alabama Residents

A resident for tuition purposes is someone who maintained legal residence in Florida (or Alabama) for 12 consecutive months immediately preceding the first day of classes for which enrollment is requested and established at least two legal ties to the state. The most common forms of documentation are listed below. For a complete list of legal documents approved by the Florida Legislature, please refer to the Residency Guidelines provided in this application packet.

Residency for tuition purposes is based on an independent person. If a student is under the age of 24, the College will assume the student is dependent, meaning he/she is eligible to be claimed by a parent/legal guardian for IRS purposes. Residency for dependent students is based on the parent/legal guardian of the student. If a student wishes to be classified as independent, additional documentation is required. (Refer to the Residency Guidelines provided in this application packet.)

Alabama residents meeting the residence criteria may also qualify for Florida tuition plus a differential.

Requests for Review: If you disagree with a residency decision, you have the right to appeal to the College's Residency Committee. Please contact an admissions office on any campus for assistance in filing an appeal.

Residency Guidelines

Step 1 Residency Classification

A resident for tuition purposes is someone who maintained legal residence in Florida (or Alabama) and has established two legal ties to the state for 12 consecutive months immediately preceding the first day of classes for which enrollment is requested. First time students at Pensacola State College will be required to submit two proofs of residency as covered in Step 3. Returning Pensacola State College students who have not attended within the last 12 months will be required to submit two proofs of residency. Alabama residents meeting the residence criteria for their state may qualify for Florida tuition plus a differential.

Reclassification: A student who has attended PSC within the last 12 months and is classified as a non-Florida resident (currently paying out-of-state tuition) and wishes to be classified as a resident for tuition purposes, must provide a minimum of three documents proving residency as suggested in Step 3, complete a Residence Statement for Reclassification form, and submit all documentation to the Student Records Office. Phone: 850-484-1600; FAX: 850-484-1829. For additional information, please call the Admissions Office at 850-484-2544.

Step 2 Independent/Dependent Status

Prior to completing the Residence Statement section of the application, you must determine who is the CLAIMANT. If you submit your own documentation for residency as an independent student, you are the CLAIMANT. If you are under 24 and do not meet the criteria listed below, your parent or legal guardian submits documentation for residency and he/she is the CLAIMANT. This list will help you determine who is the CLAIMANT:

Independent Student (residency based on student):
If you are at least 24 years of age by the first day of classes of your first term, you are considered independent and you will be the CLAIMANT for residency. You will need to provide proof of legal residency as covered in Step 3.

Students who are under the age of 24, but meet one of the criteria below are considered independent and will be the CLAIMANT.

- The student is married. Copy of marriage license required.
- The student can provide documentation that he/she claimed independence under the federal income tax code and that he/she earned at least 51% of the cost of attendance as determined by PSC’s Financial Aid Office. Copy of your most recent IRS tax transcript or federal income tax return required.
- The student is on active duty in the United States Armed Forces or is a veteran of the United States Armed Forces. Official military documentation or DD214 required.
- Both of the student’s parents are deceased or the student is, or was until age 18, a ward/dependent of the court. Copy of court documents required.

Dependent Student (residency based on parent/legal guardian):
If you are under the age of 24 and do not meet any of the criteria listed above, you will be classified as a dependent and your parent or legal guardian will be the CLAIMANT. Your parent/legal guardian will need to provide proof of residency as covered in Step 3. Legal guardians must document court-appointed guardianship.

Non-U.S. Citizens
In order to qualify as a resident for tuition purposes, you must be a lawful permanent resident alien, legal alien granted indefinite stay by Homeland Security, or must possess an approved Visa Category. (documentation required)

Residency Information is listed under the Partner Portal link at the bottom of the page. Click on Guidelines to Florida Residency for Tuition Purposes under the College & University Academic & Professional Staff heading.
A resident for tuition purposes is a person who has established and maintained permanent legal residence in Florida (or Alabama) for at least 12 consecutive months immediately preceding the first day of classes rather than maintaining temporary residency for the sole purpose of enrollment at an institution of higher education. Documents must be submitted with dates that evidence physical presence in Florida (or Alabama) during the 12-month period prior to the first day of class. Additionally, there must be no information contradicting the applicant’s claim of residency (i.e. a driver’s license from another state). Living in Florida in itself will not establish legal residency for tuition purposes. Students depending upon out-of-state parents for support are considered residents of the same state as their parents.

**Alabama residents** meeting the residence criteria may also qualify for Florida tuition plus a differential.

**Two of the following documents (or at least three in the case of reclassification) issued at least 12 months prior to the first day of classes are required.**

At least one of the documents must be from Tier One. If the claimant does not have two items from the Tier 1 list, he or she may present one document from both lists — Tier 1 (required) and Tier 2.
