Question: Specification 1.2 uses the language "spraying each area once per month", while Specification 1.7 calls for using the most modern methods for pest control. Can we assume that how a building is treated will be up to the inspection results (we use the IPM method from the University of Florida)?

Response: Specification 1.2

Question: Is there a list for the square footage of each building?

Response: See Addendum 1 Attachment

Question: Other than the 11:30-1:30 window, can we treat any time?

Response: Yes, when rooms aren't occupied. Contact Public Safety to access area at; 484-2500.

Question: Can you let us know the prices for the previous pest control service contract?

Response: \$8,784.00
