ADDENDUM #1
EXTERIOR LIGHTING AND POLES

The project is a material only purchase and shall not include installation. We are replacing metal halide fixtures with various wattages. We are requesting 4200K, 70 CRI LED fixtures.

As noted in the General Conditions, MANUFACTURERS' NAMES AND APPROVED EQUIVALENTS: Any manufacturers' names, information and/or catalog numbers listed in a specification are for information and not intended to limit competition. The proposer may offer any brand for which he is an authorized representative, which meets or exceeds the specification for any items(s). If proposals are based on equivalent products, indicate on the proposal form the manufacturer's name and number. Proposer shall submit with his proposal, cuts, sketches, descriptive literature, and complete specifications. The bidder shall also explain in detail the reason(s) why the proposed equivalent will meet the specifications and not be considered an exception thereto. Reference to literature submitted with a previous bid will not satisfy this provision. Proposals that do not comply with these requirements are subject to rejection. Proposals lacking any written indication of intent to quote an alternate brand will be received and considered in complete compliance with the specifications as listed on the proposal form. The College retains the right to determine the acceptability.

Bidders are not required to bid on all items listed in the bid. AWARDS: As the best interest of the College may require, the right is reserved to make award(s) by individual item, group of items, all or none or a combination thereof; to reject any and all proposals or waive any minor irregularity or technicality in proposals received. The College also reserves the right to make awards to one, or more, vendors based upon the recommendations of the evaluation committee.
