ADDENDUM NO. 2
TO
INVITATION TO BID (ITB) 5 - 2006/2007 for The Printing of the 2007-2008 College Catalog
FOR
PENSACOLA JUNIOR COLLEGE

The following is in response to vendor questions:

1.03: Change from 50# Landmark Opaque to 50# Opaque (white). Please submit brand name.

1.05: Clarification: Art is provided on disk as camera ready art in either Quark Xpress files or as a pdf file to meet guidelines. All fonts, photos and graphics will be included on the disk and/or embedded in the document. If changes need to be made after we receive the first proof, we can make them and submit a new file either in its entirety or corrected pages only, whatever bidder's preference. The Quark document, should they prefer that, is in multiple sections which they will need to combine. The pdf will be one file and the details will be confirmed with the successful bidder. The successful bidder will not need to work on the document.

1.06: Clarification: PJC requires a proof of the text pages to make sure nothing is out of order or misaligned. Successful bidder may submit something other than a blue-line for the inside proof. A digital proof for the cover is acceptable only if it is a highly accurate image of what the final printed cover will look like. The digital proofs must be of matchprint quality. If it is not, the vendor will assume the cost to achieve the matchprint quality.
