

THE ROLFS PIANO SERIES

The Rolfs Piano Series at Pensacola State College cordially invites you to attend our 2012 season.

The Rolfs Piano Series brings to the area critically acclaimed classical pianists of various nationalities. This international diversity of artistry and interpretation is a hallmark of the series. You will marvel at the virtuoso artistry of pianists interpreting ageless masterpieces and performing avant-garde works by contemporary composers. You will applaud as these exceptionally gifted pianists leave a legacy of their own.

Please join us for the twenty-third season of the Rolfs Piano Series at the Ashmore Fine Arts Auditorium on the Pensacola State College Pensacola campus. We hope you will share in experiencing premier classical piano performances for the Northwest Florida and South Alabama Gulf Coast audiences to enjoy.
