## State Employee Tuition Waiver Program 2015-2016

Florida law allows Pensacola State College to waive tuition and fees for State employees of the executive, legislative, and judicial branches of State government for up to six credit hours per term, on a space-available\* basis. All other charges/fees (application fee, lab fee, distance learning fees, textbooks, etc.) are the student's responsibility. Students will be awarded a grade for the course attempted. No audit of the course will be approved.

Eligible State employees must present the State Employee Tuition Waiver Request Form, signed by the employee's supervisor, to the Financial Aid/Scholarships Office. Eligible state employees may obtain a form from the Financial Aid/Scholarships Office on the Pensacola, Milton, or Warrington campus.
