

Military Service Schools/Military Experience Resources

It is your responsibility to request academic transcripts from **all** post secondary education institutions you have attended. Your military service schools and military experience also must be evaluated. These transcripts should be sent to:

**Office of Admissions & Records
Pensacola State College
1000 College Boulevard
Pensacola FL 32504-8998**

DVA **cannot** pay educational benefits beyond two terms without a prior credit evaluation being submitted by Pensacola State College. **Remember:** It is your responsibility to notify this office when the Pensacola State College Admissions Office informs you that your evaluation has been completed. At that time you should also submit a request for Pensacola State College to continue your certification to DVA. There could be a delay in an institution or agency providing your transcript or documentation. You should make your requests immediately.

DVA regulations prohibit Pensacola State College from certifying for payment courses that you have previously completed if that course(s) applies toward the degree program you are pursuing at Pensacola State College. It is your responsibility to avoid pursuing courses for which you may later receive transfer credit. If you are unsure how a course might be evaluated at Pensacola State College, consult your academic advisor. Below are the websites for the armed services:
