I am requesting a provisional registration pending receipt of the required admissions document(s) checked below:

- High school transcript (attach copy of unofficial or copy of diploma)
- GED Score Report (attach copy of unofficial or copy of diploma)
- College or university transcript(s) (list each college or university below)

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Other document(s): \_\_\_\_\_

I understand that my permanent record at Pensacola State College is incomplete until the document(s) indicated above are received in the Registrar’s Office. The current admissions policies at Pensacola State College require that all residency documentation be submitted prior to my first enrollment and all academic credentials be on file before the end of my first term of enrollment.

By requesting this provisional registration, I understand that an exception is being made. If the document is not received by my next registration, I understand I may not be allowed to register again.

I understand that Pensacola State College will not release my official transcript and will not certify my enrollment to outside agencies until my admissions file is complete. Additionally, I will not be permitted to graduate from Pensacola State College until all transcripts from previously attended institutions are received by the College.
