Financial Aid Continuing Appeal - 2019-2020

<u>CONTINUING APPEAL -</u> You were approved for reinstatement of Federal aid based on your successful appeal during the most recent academic year. Certain conditions were set for you to remain eligible to receive the reinstated financial aid. If you met all of the conditions of your prior approved appeal and you have not yet regained an OK financial aid satisfactory academic progress status or your status is Maximum Timeframe, you must submit a "Continuing Appeal Request" for each new academic year prior to having access to aid. If, however, students encounter new extenuating circumstance(s), not reported in prior appeals, an additional appeal would be appropriate and could receive consideration.

CONTINUING APPEAL INSTRUCTIONS

There are two (2) required attachments. Failure to include any one of these attachments will result in an automatic denial. The committee will make its decision solely on your successful performance in meeting the conditions of your prior approved appeal and your enrollment in courses required in your approved program at Pensacola State College.

Attachment 1 <u>Continuing Appeal Request Form</u>

Read, complete, and sign your appeal request form included in this packet of materials.

Attachment 2 Your Educational Plan & Degree Audit

You must meet with your academic advisor or program director to update your Pensacola State College Educational Plan and document that plan on the form prior to signing it. Be sure to provide a copy of your degree audit signed by both you and your academic or program advisor.

APPEAL TIMELINES

Your financial aid file must be complete before your appeal packet will be submitted to the appeal committee to review. If you are currently enrolled, you must wait until your grades for the current term have posted to submit an appeal. All appeals are considered "pending" until the committee decision is made. You will be notified via your Pirate Email and a letter sent to your mailing address on file with the Admissions/Records office. Appointments are not scheduled with the Appeals Committee.

You must make personal arrangements to pay your fees for the current or upcoming semester in order to secure your schedule of classes because you may not receive a decision on your appeal by the time your tuition payment is due. In making those arrangements you should <u>not</u> assume your appeal will be granted or that you will have your financial aid reinstated.

APPEALS COMMITTEE PROCESS

Your appeal packet will be forwarded to the Appeals Committee for review once your financial aid file is complete. The committee will review your appeal in the date order in which it is received. Except during periods of registration, the processing time is approximately 14 business days. You will be notified via your Pirate Email. Unsigned forms will **NOT** be processed. For continuing appeals, determination will be based on grades for the previous term.

If the appeal is approved, you should make plans to adhere to all the conditions set for you in the email. Failure to follow and comply with all the conditions will result in the denial of Federal aid eligibility. Questions or concerns about the conditions must be addressed within 14 days. If your appeal is denied, you may submit a written letter of disagreement to the Director of Financial Aid/Veteran Services/Scholarships. It must be submitted within 14 days of the date of the email sent to you. Failure to write a letter and/or submit new additional documentation will result in no change to the Appeal Committee decision. You will receive a letter from the Director whose decision is final.
