2022-2023 Financial Aid Suspension Appeal

APPEAL TIMELINES

Your financial aid file must be complete before your appeal packet will be submitted to the appeal committee to review. If you are currently enrolled, you must wait until your grades for the current term have posted to submit an appeal. All appeals are considered “pending” until the committee decision is made. You will be notified via your Pirate E-mail. Appointments are not scheduled with the Appeal Committee. **You must make other personal arrangements to pay your fees for the current or upcoming semester in order to secure your schedule of classes because you may not receive a decision on your appeal by the time your tuition payment is due. In making those arrangements you should not assume your appeal will be granted or that you will have financial aid eligibility reinstated.**

STUDENT RIGHTS & RESPONSIBILITIES

Your responsibility is to earn grades that maintain Financial Aid Satisfactory Academic Progress (FASAP). The degree or certificate program for which you appealed to have aid eligibility reinstated will determine the courses and the number of credits required to reach your goal. FASAP is evaluated at the end of each semester of enrollment. The required standards are described in detail in the Pensacola State College catalog.

FASAP GPA requirement: PSC students must earn the minimum criteria listed below:

Credit Hours Attempted	Minimum Required GPA
1-14 Hours	1.50
15-29 Hours	1.75
30 or More Hours	2.00

FASAP Course Completion requirement: Course completion is calculated as hours earned divided by hours attempted in your program of study. PSC students are required to complete 67% of hours attempted in their program of study. NOTE: Courses with withdrawn status must be counted in attempted hours.

FASAP Maximum Hours requirement: PSC students may not attempt more than 150% of the hours needed to complete their program of study.

The college has a process by which you may appeal for eligibility reinstatement if you can document the mitigating circumstances which resulted in your failure to meet the required standards. Many events can negatively impact a student’s academic performance, however, not all are considered mitigating and beyond student control.

The following are examples of circumstances that may be considered:

- Serious illness or injury to the student – Must include medical documentation
- Illness, injury or death of a relative (parent, sibling, spouse)–Must include medical documentation and/or obituary
- Special documented circumstance of a unique and substantial nature

Please Note: Extenuating circumstances do not include college adjustment, difficult coursework, and/or issues with faculty or staff.

APPEAL INSTRUCTIONS & APPEAL COMMITTEE PROCESS

The committee will evaluate your typed statement and supporting documentation to determine if you meet the criterion for federal aid reinstatement. There are four (4) required attachments. Failure to include the required attachments may result in an automatic denial. It is advisable to have a Financial Aid Staff Member review your appeal packet for completeness.

Your appeal packet will be forwarded to the Appeals Committee for review once your financial aid file is complete. The committee will review your appeal in the date order in which it is received. Except during periods of registration, the processing time is approximately 14 business days. You will be notified via your Pirate Email. Unsigned forms will NOT be processed. Students should review the email sent to them by the committee. If the appeal is approved or deferred, students should make plans to adhere to all the conditions set for them in the email. Failure to follow and comply with all the conditions will result in the denial of federal aid eligibility. Questions or concerns about the conditions must be addressed within 14 days. If your appeal is denied, you may submit a written letter of disagreement to the Director of Financial Aid, Veteran Services, and Scholarships. It must be submitted within 14 days of the date of the email sent to you. Failure to write a letter and/or submit new additional documentation will result in no change to the Appeal Committee decision. You will receive a letter from the Director, whose decision is final.
