2026-2027 ASSET VERIFICATION FORM

Your FAFSA was selected for a process called verification. Federal Regulations states that before awarding federal student aid, your school may ask you to confirm the information that you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet. If there are differences, your FAFSA information may need to be corrected. Complete the requested sections and sign this worksheet, attach any required documents, and submit the form as soon as possible so that your financial aid will not be delayed. **The verification process may take several weeks.**
