

Pensacola State College

College Fair History

For more than 15 years, the school districts of Santa Rosa and Escambia counties have partnered with Pensacola State College to host College Fair for area high school students. Each year, high school juniors, seniors and parents have the opportunity to ask questions about college admissions, financial aid, scholarships, academic programs, resident life/housing, and student life. PSC students and parents are also invited to get answers to their transfer questions. Typical representation includes colleges and universities from across the southeast and beyond. In recent years, the following schools have attended:
