Policy Title:	Student Fee Deferment	<u>Number</u> 6Hx20-3.009
Legal Authority:	s. 1001.64, Fla. Stat.	<u>Page</u>
Law Implemented:	s. 1009.23, 1009.27(2), Fla. Stat.; Rule 6A-14.054, F.A.C.	Page 1 of 1

Fees may be deferred for eligible students when a written promise of payment is provided to the College. Written promises of payment include, but are not limited to, Florida Prepaid arrangements and arrangements with third-party organizations to pay student fees on behalf of the student.

Veterans and other eligible students under 1009.27(2) shall receive, upon request, one deferment per academic year for the payment of registration fees. Upon request, such persons shall receive an additional deferment each time there is a delay in receiving such benefits. Such deferments shall be for sixty days, except that they shall not extend beyond the end of the term.

When institutional, state, or federal financial aid other than veterans' benefits are delayed in being transmitted to students through circumstances beyond their control, registration fees may be deferred up to sixty (60) days, but not beyond the end of the term, unless the institutions, state, or federal rules or regulations require additional time, events, or documentation that cannot be completed within the prescribed sixty (60) day period. Failure to make timely application for such aid shall not be a reason for granting deferral.
