How to apply to a Health Program at Pensacola State College

All of the following steps must be completed:

- **Pensacola State College application form**: this form can be filled out on-line by going to www.pensacolastate.edu and clicking the 'Spyglass' button or request a copy of the application by calling or visiting an Admissions office on any Pensacola State College campus. The form may be returned on-line, by mail, by FAX, or in person. (Specific addresses are on the application form.)

- **A $30 fee is required for a first-time application to Pensacola State College**. If you have been to Pensacola State College before, but it has been over one year since you attended, be sure to update your application with Admissions – no fee is required. Telephone numbers for Admissions Offices on each campus are listed below.

- **Official college transcripts for all prior education must be received by the college**. The form with instructions can be found on-line at, **http://www.pensacolastate.edu/forms-apps/admissionsForms/transcrp.pdf ,** or by contacting Admissions office on any campus (see telephone numbers listed below).

- **Official high school transcript must be received by the college**. The form with instructions can be found on-line at **http://www.pensacolastate.edu/forms-apps/admissionsForms/transcrp.pdf**, or at Admissions office on any Pensacola State College campus.

- *Questions regarding any of the above should be directed to Admissions on any campus. Please be sure to keep your address, telephone number and email current on College Records. You can call the Admissions Office on any campus to update your address or telephone number or you may update on SpyGlass. REMEMBER: all official information from the College will come to your Pirate Mail Address. Check it regularly!*

- **Health-Related Program Application**: You must apply to the specific program you wish to enter. The Health-Related Program Application can be found on-line at **http://www.pensacolastate.edu/forms-apps/admissionsForms/HealthRelated_app.pdf,** or at an Admissions office on any campus. This form may be used to apply to 3 Health programs. There is no fee for this application. The online application must be faxed or mailed, or turned in at the Admissions Office on any campus.

- **Additional requirements:** All students must complete a background check, & drug screen before entry into the program. Once accepted, all students must complete a health examination and document and/or update immunization status. Students must meet the minimum technical standards set for the requested program. Some programs have other additional requirements. Please review Health Programs at a Glance for more information, or go to **www.pensacolastate.edu/healthprograms** for program-specific information.

- **Seats in a program are assigned on a "first qualified, first placed" system**. Once an applicant has met all admission requirements for a particular program, the student is assigned a dated position on the candidate list. Students are selected for admission to a program based upon their placement on the candidate list. Please notify Health Admissions (850-484-2210) if you no longer wish to be considered for a program.
