POLICY

Sacred Heart Health System provides parking facilities for patients, visitors, clergy, physicians, associates, tenants and contract staff. Parking is provided at no cost and the hospital assumes no risk or responsibility for any vehicle. Hospital patients, visitors, and physicians are given priority for parking; therefore, associates and students shall utilize only those parking areas and spaces designated for their use. Parking lots are clearly designated. All associates are required to follow safe driving practices while on any Sacred Heart Health System campus. As part of the Tobacco Free Campus, smoking in vehicles while on Health System property is prohibited. Any violation of this policy will result in corrective action.

1. STUDENTS / INSTRUCTORS:

- A. Students and instructors should park in associate designated spaces. Permits are not required

2. ENFORCEMENT TECHNIQUE:

- A. Security will periodically monitor patient parking areas and other non-associate parking areas, as well as designated associate parking areas, to ensure compliance to parking policy

3. VIOLATION OF PARKING POLICY:

Parking infractions, violation of safe driving practices, or violation of this policy in any form will result in corrective action, up to and including terminating clinical rotation.

I acknowledge I have read and understand Sacred Heart Health Systems Parking Policy.
