Phone: 404.975.5000, Fax: 404.975.5020, www.acenursing.org.

Department of Nursing Mission Statement

The mission of the Department of Nursing is to provide quality educational opportunities for the student who is seeking to enter or advance in the nursing profession. The Department of Nursing is committed to creating a learning environment that fosters academic, personal, and professional growth by supporting the professional nursing standards of care to meet health care needs of the community.

Program Description

The career certificate in Practical Nursing prepares the student to perform safe nursing care as a practical nurse, under the direction of a Registered Nurse or a licensed physician. The 1350 clock hour program uses a combination of theoretical, simulation and hands-on instruction.

Program Goals

Certification Pass Rate:

The most recent annual pass rate will be at least 80% for all first time-test-takers on the National Council Licensure Exam (NCLEX).

Completion Rate:

At least 50% of all students who begin in the first nursing course in the Licensed Practical Nursing program will complete the program within 150% of the usual timeframe for the 3-term program.

Employment Rate:

At least 75% of graduates will report employment as a Practical Nurse within 6 months of graduation.

Program Objectives

Upon successful completion of the Program, the student will:

1. Demonstrate professional and leadership qualities necessary to be a team leader.
2. Demonstrate communication as both a team member and a team leader.
3. Demonstrate introductory knowledge of the nursing process and nursing as a skill related to practice.
4. Demonstrate ability to deliver quality care to assigned clients as a team member and demonstrate ability to oversee the care delivered by team members as a team leader.
5. Demonstrate ability to participate in shared planning decision making, problem solving, and goal setting by nursing, client, significant support person(s) and peers.

Special Program Requirements

Upon acceptance to the program, the student must successfully pass a criminal level II background, a 10-panel urine drug screen, and submission of a satisfactory physical examination and immunizations/vaccines.

ADMISSION CRITERIA

- Submission of Pensacola State College (PSC) Application
- Submit a health-related application
- High school graduate/GED
- Submission of official high school transcripts
- Submission of official transcripts from all colleges currently attending or previously attended
- Minimum 2.0 vocational cumulative grade point average
- Minimum score of 65% on each of the HESI A² components (reading, vocabulary, and math) in one sitting

PROGRESSION REQUIREMENTS

- "C" or better in each course of the program
- Complete and satisfy a level II background screen
- Complete and satisfy a negative drug screen
- Complete and satisfy a physical examination and the following immunizations/vaccines:
 - Tdap (Tetanus/Diphtheria/Pertussis) booster within 10 years or TD booster within 2 years
 - MMR -Measles (Rubeola), Mumps, Rubella
 - Varicella (chicken pox)
 - Hepatitis B
 - Tuberculosis
 - Influenza - required annually (October-April)

COMPLETION REQUIREMENTS

- Earn a cumulative grade point average of 2.0 or better in all courses applicable to the program of study.
- Meet academic residence requirement of completing at least 25% of the program with classes at Pensacola State College.
