ADDENDUM #1

- Question: Confirm the permit provided by PSC is at no cost.
Response: Confirmed there is no cost for permit.
- Question: Provide anticipated construction budget for bonding purposes.
Response: \$125,000.00
- Question: Para. 2.07 of the ITB requires P&P bonds. Advise if a bid bond is required.
Response: No bid bond required.
- Question: Based upon the scope of work, confirm that Builders Risk Insurance is required.
Response: No Builders Risk will be required.
- Question: Per the ITB, PSC has a Florida sales tax exemption. Confirm if bidders are to include sales tax within their proposals. Advise if PSC will utilize the ODP process.
Response: Bidder should include sales tax in their bid. Owner will use the ODP process to save the sales tax by contract deduction to the bidder.
- Question: Confirm that the removal and offsite disposal of all existing wood and chain link fence is the responsibility of the bidder.
Response: Bidder should list the cost of removal and offsite disposal of all existing wood and chain link fence as an alternate to the bid.
- Question: Confirm that the location of the new fencing shall conform to the existing location and that the warning track and adjacent turf are to be restored to pre-existing conditions.
Response: The location of the new fencing shall be as close to the existing fence as possible and the warning track and adjacent turf are to be restored to pre-existing conditions.
- Question: Confirm that the offsite removal of all excess excavated soils is the responsibility of the bidder.
Response: The bidder shall remove all excess excavated soils.
