5. In the absence of the Student Traffic Court, the Director of Student Conduct will resolve traffic appeals.

Use of Handicapped Parking Spaces

Handicapped parking spaces are provided throughout all of Pensacola State College Campuses (blue curb). Only those vehicles with proper Florida handicapped emblems/placards may park in spaces reserved for handicapped citizens. The state tag office issues Florida handicapped decals/emblems. Non-handicapped persons operating a vehicle that is designated as handicapped are not permitted to park in handicapped space in an unauthorized manner. This law is strictly enforced on all campuses.
