ADVISING AND CHOOSING A CAREER

We want to help you every step of the way here at Pensacola State College. Our support staff members are trained to offer you the best advice possible.

Academic Advising

Ensure your success by talking with an academic advisor. We help you with program planning, transfer requirements, and course selection. We also help with referrals to other resources. Contact an advising office for help fulfilling your educational goals.

Catalog

The PSC Catalog is your source for information of all kinds—academic programs, course descriptions, and a whole lot more. The Student Handbook is housed in the Catalog as well; there you will find information about student policies and procedures.

[PSC Catalog Website](#)

Graduation Information

It's never too early to think about your graduation. Find upcoming graduation dates and other important information.

[PSC Graduation Information Website](#)

Student Conduct

We try to create a safe learning environment at all our sites and online. We expect all students to know and follow the Student Code of Conduct, but sometimes violations occur. If you have any issue related to student conduct, sexual misconduct, bias cases, or cheating, you can report it to the Office of Student Conduct and get help.

Virtual Tutoring Labs

The Virtual Tutoring Labs provide you with access to live tutors in a fully interactive, virtual online environment. You may speak, email, or chat with the virtual tutor and get the help you need. Tutors work through your assignments with you, prompting you to answer questions and interact throughout the process. And Virtual Tutors are available to assist you after business hours and on weekends.

[PSC Virtual Tutoring Labs Website](#)

Writing Labs

The Writing Lab provides drop-in assistance with all college writing assignments. Tutors can review a paper you have already written or help you develop ideas for a paper you are working on. They can also show you how to cite sources the right way. Grammar workshops and practice resources are available as well. On-site computers and printers are available in each lab for student use. And if you can't get to a physical Writing Lab on one of our campuses, make sure you take advantage of high quality assistance via Virtual Writing Tutoring.

Pirates Care

The Pirates Care program is a college-wide crisis referral and suicide prevention campaign. The program works to help students connect with resources to support them with challenges they may face outside the classroom that impact how they are doing in school, such as mental health challenges, housing and food insecurity, and relationship issues, including sexual assault.

STUDENT TECHNOLOGY

Accounts and Passwords

All PSC students are given several accounts and passwords soon after they apply and are accepted. PSC is committed to online security and the credentials provided to you are unique. It is important that you memorize this information and not share it with anyone. For more information regarding your PSC credentials, click on the link below:

[PSC Accounts and Passwords](#)

Canvas

All eLearning courses (distance learning and hybrid) are delivered through PSC's online course delivery system called Canvas. Many instructors teaching on-campus use Canvas as well. It's easy to use, secure, and helps store and organize your PSC course materials. For more information regarding Canvas, click on the links below:

[About Canvas](#)

[Login to Canvas](#)

If you are having trouble with your Canvas password, you may contact the Help Desk for assistance.

PirateMail

PirateMail is PSC's official email system. All students are given a PirateMail account when they apply and are accepted. In addition to email, PirateMail allows users to make appointments, organize tasks, and send files. PirateMail should be checked often. For more information regarding PirateMail, click on the link below:

[PirateMail](#)

Spyglass

Spyglass is the PSC student records system. All PSC students use Spyglass to register, drop/add courses, pay fees, request transcripts, download schedules, and apply for graduation (yes!). Spyglass is an important tool and one that is used frequently by every PSC student. For more information regarding Spyglass, click on the link below:

Support for PirateMail, Spyglass, and PSC Networks

Assistance is available during these hours: Monday-Thursday 7:30 a.m. to 6:30 p.m.
Friday 7:30 a.m. to 4:00 p.m.

- Phone: 850-471-4534
- Email: helpdesk@students.pensacolastate.edu
- Website: <http://www.pensacolastate.edu/helpdesk/helpdesk-students/>

Canvas Support

For issues related to your course, please contact your instructor. For all other Canvas related issues, please call their Technical Support at 855-534-1843.

VETERAN SERVICES AND SUPPORT

The College is committed to supporting all student veterans and their families.

TRIO | Veterans Student Support Services

TRIO | Veteran Student Support Services helps students meet their academic goals. Students have access to services like one-on-one tutoring and a personal Academic Advisor/Life Skills Coach. Your coach can help you with career choices, degree plans, class schedules, applying for financial aid, and transferring to a four year college institution.
