ADVISING AND CHOOSING A CAREER

We want to help you every step of the way here at Pensacola State College. Our support staff members are trained to offer you the best advice possible.

Academic Advising

Ensure your success by talking with an academic advisor. We help you with program planning, transfer requirements, and course selection. We also help with referrals to other resources. Contact your academic advisor for help fulfilling your educational goals. Visit the [PSC Academic Advising Website](#) for instructions to find your advisor in Workday and view advising locations and contact information.

Pirates CARE Student Resource Center

The Pirates CARE Student Resource Center helps students connect with on and off campus resources to support them with challenges they may face outside the classroom that impact how they are doing in school. Services includes assisting with mental health challenges, basic needs such as housing, food insecurity, and transportation, as well as providing support for relationship issues including relationship violence. The Pirates CARE Student Resource Center is also the home of the Campus Food Pantry and Campus Career Closet. All services provided through the Pirates CARE Student Resource Center are free to all students.
