

Pensacola State College Section Syllabus
MGF 1107- Mathematics for Liberal Arts II

Instructor: Ms. Mary Anne C. Petruska

Office: Building 1, Room 172

Email: mpetruska@pensacolastate.edu

Credits

3 cc

Prerequisites

Placement at the college level or completion of the appropriate exit-level developmental course(s) with a grade of C or better.

Course Description

Consists of the following topics: financial mathematics, linear and exponential growth, development of number systems, history of mathematics, elementary number theory, voting techniques, graph theory and society.

Offered

FA, SP, SU.

Distribution

Meets AA General Education Core, Mathematics requirement.

Notes

Student may take either MGF 1106 or MGF 1107 first.

Textbooks:

Thinking Mathematically; Blitzer; 9780138274917; 8th; Pearson; 2023

Supplemental Materials:

NONE

Special Requirements:

Distance Learning/Hybrid Course statement: There is a \$24.99 Lab Fee for Distance Learning courses and NO Lab Fee for Hybrid courses. Distance Learning and Hybrid Sections require a MyMathLab access code. Use of MyMathLab in face-to-face sections is at the discretion of the instructor. Contact your instructor to determine if MyMathLab is required. For sections NOT requiring MyMathLab the textbook listed is required.

Student Expectations—Students enrolled in this course can expect the following: 1) clearly identified course objectives; 2) productive class meetings; 3) a positive learning environment; 4) opportunities for appropriate student participation; 5) effective instruction; 6) positive and appropriate interactions; 7) assistance with meeting course objectives during and beyond class hours; 8) evaluation of student performance and appropriate and timely feedback; and 9) clear and well-organized instruction.

General Education Student Learning Outcomes:

Critical Thinking:

The student analyzes, evaluates, and, if necessary, challenges the validity of ideas, principles, or data in order to develop informed opinions, probable predictions, or defensible conclusions.

Scientific and Mathematical Literacy:

The student properly identifies and applies scientific or mathematical principles and methods.

Information Literacy:

The student effectively locates, evaluates, and applies information from a variety of sources.

Course Learning Outcomes:

1. Represent numbers in other number systems and perform indicated operation;
2. Use formulas for interest, annuities and loans to calculate rates and payments;
3. Graph and use exponential and logarithmic functions as models to analyze various situations;
4. Apply principles of number theory to real number operations and number sequences;
5. Recognize and appreciate historical developments of mathematical concepts;
6. Work problems with different number bases, use modular arithmetic;
7. Solve linear programming problems.

Methods of Evaluation

Grade calculation: Your final grade is based on your (1) 4 chapter tests, (2) homework, (3) portfolio, (4) 4 in-class projects, (5) midterm grade and (6) final exam grade.

Points break-down:	take home tests	80 pts [20 pts. ea.]
	homework	250 pts
	portfolio	50 pts
	projects	20 pts
	mid-term	200 pts
	<u>final exam</u>	<u>400 pts</u>
		1000 pts

Student Email Accounts

Pensacola State College provides an institutional email account to all students enrolled in courses for credit. PirateMail is the official method of communication, and students must use Piratemail when communicating with the College. In cases where companion software is used for a particular class, email may be exchanged between instructor and student using the companion software.

Flexibility

It is the intention of the instructor to accomplish the objectives specified in the course syllabus. However, circumstances may arise which prohibit the fulfilling of this endeavor. Therefore, this syllabus is subject to change. When possible, students will be notified of any change in advance of its occurrence.

ADA Statement

Students with a disability that falls under the Americans with Disability Act or Section 504 of the Rehabilitation Act, it is the responsibility of the student to notify Student Resource Center for ADA Services to discuss any special needs or equipment necessary to accomplish the requirements for this course. Upon completion of registration with the Student Resource Center for ADA Services office, specific arrangements can be discussed with the instructor.

Equity Statement

Pensacola State College does not discriminate against any person on the basis of race, color, national origin, sex, disability, age, ethnicity, religion, marital status, pregnancy, sexual orientation, gender identity or genetic information in its programs, activities, and employment. For inquiries regarding the College's nondiscrimination policies, contact the Executive Director of Institutional Equity and Student Conduct, 1000 College Blvd., Building 5, Pensacola, Florida 32504, (850) 484-1759.

Security Statement

Pensacola State College is committed to encouraging all members of the College community to be proactive in personal safety measures. In case of emergency, students should ensure that they are aware of the building exit closest to each of their classrooms, as well as all alternative building exits in case circumstances require using a different route.

Emergency Statement

In the case of severe weather or other emergency, the College administration maintains communication with appropriate state and local agencies and makes a determination regarding the cancellation of classes. Notices of cancellation will be made through the College's PSC Alert system and on the College's website.
