Email	sschackmann@pensacolastate.edu
Final Exam Date(s)	May 5-7
Last Date of	February 5
Drop/Add	
Last Date for Student	Apr 13
to Withdraw	
Class Meeting Time	asynchronous
Class Location	asynchronous
Prerequisite(s)	Placement at the college level or completion of the appropriate exit-level
	developmental course(s) with a grade of C or better.
Course Description	In this course, students will learn the foundations of anthropology as the
	study of human variation in its biological, social, and cultural dimensions.
	Students will learn about anthropological concepts, principles, and
	methodologies to understand and explore past and present human
	behavior. They will apply the anthropological approach to analyze issues pertaining to past and contemporary cultures, and develop intellectual skills
	and habits to understand behavioral, social, and cultural issues from multiple
	disciplinary perspectives.
Credits	3 credit hours
Semester(s) Offered	Fall, Spring, Summer
Course Designation(s)	, Jpg, Janinie.
220002200000000000000000000000000000000	
General Education	Per Florida Statute 1007.25, "Humanities courses must afford students the
Core Course	ability to think critically through the mastering of subjects concerned with
Standard	human culture, especially literature, history, art, music, and philosophy, and
	must include selections from the Western canon."

8. evaluation of student performance and appropriate and timely feedback; 9. clear and well-organized instruction. Academic Dishonesty Statement Pensacola State College is committed to upholding the highest standards of academic dishonesty, to include plagiarism and cheating, are prohibited. Penalties for academic dishonesty include but are not limited to one or more of the following: the awarding of no credit on the assignment, a reduction in the course grade, or the assignment of a final course grade of F and removal from the course. See the College Catalog for more details: Academic Integrity ADA Statement Students with a disability that falls under the Americans with Disability Act Amendments Act of 2008 or Section 504 of the Rehabilitation Act should contact the Student Resource Center for ADA Services to discuss academic accommodations. Appropriate academic accommodations are determined on an individual basis with careful consideration of the course learning outcomes and the documentation of the disability. For more information, students should visit the Student Resource Center for ADA Services on the Pensacola campus in building 6, room 603; call 850-484-1637; email ADAservices@pensacolastate.edu; or complete the online intake form in the ADA Services app within the MyPSC apps dashboard. Emergency In the case of severe weather or other emergency, the College administration maintains communication with appropriate state and local agencies and makes a determination regarding the cancellation of classes. Notices of cancellation will be made through the College's PSC Alert system and on the College's website. Flexibility Statement It is the intention of the instructor to accomplish the objectives specified in the course syllabus. However, circumstances may arise which prohibit the fulfilling of this endeavor. Therefore, this syllabus is subject to change. When possible, students will be notified of any change in advance of its occurrence. Non-Discrimination Statement Pensacola State College does n

Security Statement	Pensacola State College is committed to encouraging all members of the College community to be proactive in personal safety measures. In case of emergency, students should ensure that they are aware of the building exit closest to each of their classrooms, as well as all alternative building exits in case circumstances require using a different route.
Student Email Account Statement	Pensacola State College provides an institutional email account to all students enrolled in courses for credit. PirateMail is the official method of communication, and students must use PirateMail when communicating with the College. In cases where companion software is used for a particular class, email may be exchanged between instructor and student using the companion software.
