

The Pensacola State College Purchasing Department intends to make a purchase which has been determined to qualify as a "Sole Source" purchase. The purpose of this "Notice of Intent to Award" is to publicly announce the College's intent to award a Sole Source Contract for a specific service, construction or item of tangible personal property.

Any vendor who does not agree that the service, construction or item of tangible personal property is available only from the contractor determined to be a sole source may protest the "Notice of Intent to Award" by contacting the Purchasing Department within fifteen (15) calendar days of the date this Notice is posted. Your protest must be in writing and describe the basis for the protest. Please submit your protest, to cboatwright@pensacolastate.edu and include the words "PROTEST OF NOTICE OF INTENT TO AWARD SOLE SOURCE CONTRACT" (reference the contractor's name that is subject of your protest) and your company name on the subject line.

Sole Source Justification

Under the guidelines of Florida State Board of Education Administrative Rules, Chapter 6A-14.0734, the following information is submitted in support of a request to purchase goods and/or services without using competitive procedures. The sole source justification will become a public document, open to public inspection.

Item Description	Price
SPRINT Digital Garment Printer and Accessories	\$18,045.00

Please explain why this is considered a sole source item. Attach additional documentation as necessary.

AnaJet is the maker and supplier of this printer. I attempted to find a similar printers, but only one was compatible with the MAC operating system in the Visual Department. The Epson printer (below and attached) is compatible, but there is a price difference.

List Competitors and other resources contacted to find competition

- ¹ MESA Distributors: Not compatible for MAC systems.
- ² ColDesi, Inc.(DTG Digital): Not compatible with MAC systems.
- ³ Epson: Price is greater and does not have all the features/products.
