

5-Year

<p>1.</p>	<p>Barbara Ales Title IV Compliance Coordinator, Financial Aid, Veterans Services, and Scholarships; Pensacola Campus Bldg. 2, Room 241 Statement By: Joanne Rozborski</p>	<p>Barbara has flourished throughout her five years with the College. She is a friendly voice to all and is always willing to assist others with a smile. Her upbeat and “can do” attitude will continue take her far on this "Pirate Path.”</p>	
<p>2.</p>	<p>Frank Asprer Web Administrator, Marketing and College Information Pensacola Campus Bldg. 7, Room 454 Statement By: Sheila Nichols</p>	<p>In the 5 years that Frank has been with the college, he has dedicated his talents and expertise to the College’s mission by improving and maintaining its websites. Frank is an invaluable asset to the Web Team; he is committed to our mission, reliable, professional and kind. His positive humble nature makes working with Frank a delight. Frank is a valued part of our team and his contributions will be an important part of our continued success.</p>	
<p>3.</p>	<p>Buffi Bailey Instructor, Nursing and Emergency Med. Srvc Warrington Campus Bldg. 3100, Room 3152 Statement By: Dusti Sluder</p>	<p>Dr. Bailey is genuinely dedicated to the overall success of the College and of the student. Her approach to teaching is calm and composed. She is able to delicately deliver the rigorous nursing curriculum but also ensuring that each student has the means of meeting the expectations.</p>	
<p>4.</p>	<p>Burton Beck Instructor, History, Languages, Social Sciences, and Education Pensacola Campus Bldg. 14, Room 1485 Statement By: Kathy Van Dyck / Susan Morgan</p>	<p>Dr. Burton Beck is a valuable member of the History, Languages, Social Sciences and Education faculty. He teaches psychology courses including Introduction to General Psychology, Human Growth and Development, and Drugs and Behavior. Dr. Beck is highly respected among his students. He puts his students at ease in the classroom despite the sometimes difficult and sensitive subjects that are covered in his psychology and sociology classes. As a testament to his skills, Dr. Beck was recently inducted in the Teaching Academy of Excellence. In his free time, he enjoys playing the guitar and watching sports.</p>	
<p>5.</p>	<p>Clenita Belford Intercollegiate Athletics Coach, Athletics Pensacola Campus Bldg. 3, Room 306 Statement By: Bill Hamilton</p>	<p>Penny is a fiery competitor turned coach, Coach Belford is on a mission to help her Lady Pirates, both big and small, reach their full potential. That mission’s experience will come in handy as her firstborn, Jalaya, arrived this year!</p>	

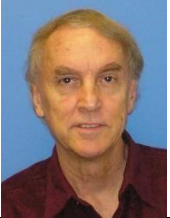

6.	<p>Bradley Bish Math Lab Specialist, Mathematics and Computer Science Pensacola Campus Bldg. 1, Room 101 Statement By: Kirk Bradley</p>	<p>Brad is a talented mathematician and tutor in the math lab. Brad is one of few PSC employees who works on Sundays. Brads tutoring skills are amazing and he has a unique ability to break down complex mathematics concepts into ways that are understandable to students. In his free time, Brad enjoys spending time with family and attending the symphony.</p>	
7.	<p>Shane Brannock Assistant Director, Public Safety Pensacola Campus Bldg. 5, Room 525 Statement By: Sean Fagan</p>	<p>Assistant Director Shane Brannock has numerous duties in his position including the general operations of the department and ensuring the college is safely protected. He oversees departmental procedures and assists with the accuracy of information the officers receive by communicating and coordinating with SmartCop and FDLE. He has arranged training for our officers, as well as hundreds of officers from other agencies in the tristate area, by hosting them here at PSC and helping to maintain a good working relationship between our departments. With over 17 years of law enforcement experience, Assistant Chief Brannock is dedicated in supporting and promoting Pensacola State College and our public safety department to the best of his capabilities.</p>	
8.	<p>David Cantrell Maintenance Specialist (HVAC), Maintenance Services Warrington Campus Bldg. 3200, Room 3203 Statement By: Diane Bracken</p>	<p>David is a hard worker with a big heart. He is the first to volunteer wherever needed. He is always cheerful even when under stressful situations. David's father is Robert Cantrell retired Chemistry professor of Natural Sciences Department.</p> <p>David likes listening to music, playing guitar, fishing, working on old cars with his dad and spending time at the beach.</p>	
9.	<p>Nickolas Churill College Police Officer, Public Safety Warrington Campus Bldg. 3300, Room 3301 Statement By: Sean Fagan</p>	<p>Nick is affiliated with CIT (Crisis Intervention Training) a topic that gives law enforcement officers from Escambia and Santa Rosa counties training and first-hand experience in helping people with mental illnesses. He really enjoys CIT and therefore passes on the information learned at the training to other PSC officers. At home, Nick is a part-time caregiver to his Grandmother.</p>	
10.	<p>Rafael Deliz Coordinator, First-Time in College, Advising Center Pensacola Campus Bldg. 5, Room 508-B Statement By: Monique Collins</p>	<p>Rafael has been an excellent addition to the Advising Center staff! Whether he is leading trainings, crunching numbers or hosting workshops, we can always count on him to offer our students and staff his very BEST! Felicidades Rafael!</p>	
11.	<p>Susan Desbrow Director, Admissions and Records/ College Registrar Pensacola Campus Bldg. 2, Room 228 Statement By: Kathy Dutremble</p>	<p>Susan Desbrow loves reading, crosswords, and Sudoku. She loves being outdoors whether doing yard work or being on the water in her kayak. She especially loves taking her dog, Daisy to the beach! Susan loves her job as the College Registrar and is focused on creating a great team, for both Admissions and Records. She always credits her staff for the hard work they do to support all students at the College.</p>	

12.	<p>Ricky Enfinger Maintenance Supervisor (HVAC), Maintenance Services Pensacola Campus Bldg. 50, Room 5003 Statement By: Diane Bracken</p>	<p>Ricky Enfinger is like a superhero. He can do just about anything and his skills have really been tested. Ricky tackles every challenge with determination and a smile. It is obvious he loves his job and takes great pride in his work. Ricky likes rebuilding old cars and motorcycles and riding Harleys. He is an avid archer and loves his pets and living in the country.</p>	
13.	<p>Stephen Flanigan Computer Lab and AV Technician, Academic Computing Pensacola Campus Bldg. 21, Room 2163 Statement By: Bert Merritt</p>	<p>Steve has truly stepped up to the plate in taking over the duties of a vacated position in addition to his other responsibilities. As the go-to classroom technician, he makes sure the instructor computers are up and running and that the classroom technology is working well. As the event AV support tech, he goes where he is needed with equipment and support to make college presentations and community events shine. He learned fast and has been able to fill both roles with no problems. Always with a joke on the tip of his tongue, Steve makes everyone feel special.</p>	
14.	<p>Jonathan Garrett Environmental Management Manager, Maintenance Services Pensacola Campus Bldg. 9, Room 914 Statement By: Diane Bracken</p>	<p>If you have something bugging you, Jonathan is your guy! Not only does he take care of the environmental and safety issues at the College, he also handles the pest control services. And don't be surprised if Jonathan reminds you that you should always stop CPR after the second "ouch" from the patient as he is one of the College's certified CPR instructors."</p>	
15.	<p>Glen Gorman Instructor, Engineering Technology Programs Pensacola Campus Bldg. 18, Room 1841 Statement By: Michael Listau</p>	<p>With more than forty-five years of industry experience in the HVAC industry, Mr. Gorman has the depth and scope of knowledge that truly allows him to be called an expert in his field. Additionally, with his caring and professional demeanor, his students are given the necessary instruction in a fashion that will allow them to succeed in their field.</p>	
16.	<p>Deborah Hooks Director, Career and Technical Education & Student Resources Pensacola Campus Bldg. 6, Room 645 Statement By: Debbie Douma</p>	<p>If you ever need to borrow a coffee cup, Deborah is your go-to person! She loves traveling and collecting souvenirs, like the Starbucks "places" mugs. Debbie Douma says she's been impressed with Deborah's determination to step up to learn all that she can about CTE in order to best benefit our students in workforce programs. She is always on board with implementing new ideas, such as the National Technical Honor Society, and celebrating national CTE month with an open house.</p>	
17.	<p>Barbara Inkel Instructor, Nursing and Emergency Med. Svcs Warrington Campus Bldg. 3100, Room 3143 Statement By: Dusti Sluder</p>	<p>Barb is extremely dedicated to her students and to the surgical tech profession. As an instructor, her teaching skills are amazing; she provides quality instructions, she teaches, she mentors and she nudges the students to help them succeed. These students love and respect her and so does the OR staff at the clinical sites.</p>	

18.	<p>Kasey Jones Station Administrative Coordinator, WSRE Pensacola Campus Bldg. 23, Room 2302 Statement By: Bob Culkeen</p>	<p>As WSRE's Administrative Coordinator, Kasey coordinates activities for the WSRE-TV Foundation Board of Directors and staff functions including community service projects, station tours and internships. In 2018, she spearheaded WSRE's "American Creed" community engagement project, which was a finalist for a national award from the National Educational Telecommunications Association. Kasey loves to travel abroad and is a dedicated supporter of the Gulf Coast Citizens Diplomacy Council. She also supports the PSC President's Leadership Institute and Leadership Pensacola as a volunteer. Kasey is an Inweekly Rising Star.</p>	
19.	<p>Layla Zandi-Karimi Donor Campaigns and Reporting Manager, College Development Pensacola Campus Bldg. 17, Room 1791 Statement By: Andrea Krieger</p>	<p>As an employee and a student, Layla is a great representative of PSC. She is quick to volunteer college-wide, and has never met a stranger! She delights in greeting new Friends of Performing Arts, Anna Society Members, Boosters, and Friends of Culinary Arts. As the Foundation Office's emissary, she meets new employees. Layla is knowledgeable and professional; loves kickball and has great shoes!</p>	
20.	<p>Lorraine Kelley Instructor, Nursing and Emergency Med. Svcs Warrington Campus Bldg. 3100, Room 3147 Statement By: Dusti Sluder</p>	<p>Dr. Kelley is very kind, compassionate and dedicated. Students often gather at her doorway to say hi or leave thoughtful messages for her. She is a new faculty's best friend, always having time to mentor, for which we will always be grateful.</p>	
21.	<p>Brenton McMahon Online Media Technologies and Web Content Manager, WSRE Pensacola Campus Bldg. 23, Room 2331 Statement By: Bob Culkeen</p>	<p>Brenton is WSRE's Digital Strategies Manager in charge of the station's website and social media performance along with video streaming for WSRE productions. He was recently accepted into the PBS Digital Immersion Project—a professional development opportunity aimed at improving local efforts across digital platforms and overall expertise in digital strategies and tactics. Each year, Brenton spearheads WSRE's Pensacon photo booth and has become a popular attraction himself in cosplay as PBS icon, Bob Ross!</p>	
22.	<p>Jennifer Neeley Test Technician, Testing Services Pensacola Campus Bldg. 6, Room 635 Statement By: Kathryn Quillen</p>	<p>Jennifer Neeley has actually worked in Testing closer to 10 years. She began working with us as a Student Worker, then as a part-time temporary worker before joining the College full time in 2013, she is a Test Technician that administers a wide variety of tests and travels to various campuses to administer tests for students. Jennifer is a highly valued member of our team. In her spare time, Jennifer is an active member of her Church and loves to visit with her large family (she has 4 sisters) on weekends.</p>	

23.	<p>Leann Purdy Admissions/Registrar Specialist, Admissions and Records Pensacola Campus Bldg. 2, Room 225 Statement By: Kathy Dutremble</p>	<p>Leann enjoys spending time with her family and pets. She is also an avid Saints fan. In her downtime, she loves a good movie and finds time to keep up with current events. She loves to garden, work in the yard and is quite capable of doing her own home repair. She is very dedicated to the Records and Admissions office and is always ready to lend a hand. Leann is a team player and loves doing all she can to support the student!</p>	
24.	<p>Vasanth Ramachandran Assistant Professor, Natural Sciences Pensacola Campus Bldg. 17, Room 1757 Statement By: Dr. BC</p>	<p>Dr. Vasanth Ramachandran is Assistant Professor of Chemistry in the Department of Natural Sciences. He is a 2018 Academy of Teaching Excellence Award winner. He is also the recipient of prestigious AFC's Ernest Boyer Award for Excellence in Teaching, Learning and Technology. Besides his outstanding work in the classroom, Dr. Ramachandran has taken a lead role in developing Live online classes for chemistry. Most notable is his work in developing virtual chemistry tutoring lab services for our students.</p>	
25.	<p>Barbara Rodriguez Department Head, Business Department Pensacola Campus Bldg. 10, Room 1024 Statement By: Emma Johnson</p>	<p>Dr. Rodriguez has just completed her first year as the Business Department Head, and we are so proud to have her. She is always poised and never loses her cool. Those in the Business Department describe her as eclectic, compassionate, brilliant, logical, supportive, decisive, flexible, intelligent and fair. She is also a woman who possesses great integrity. Overall, we are blessed to have her in our midst.</p>	
26.	<p>Catherine Salisbury Administrative Assistant / Retention Specialist, Educational Talent Search Pensacola Campus Bldg. 6, Room 675 Statement By: Juanita Edwards</p>	<p>Catherine Salisbury is an extremely reliable and efficient Administrative Assistant/Retention Specialist. She is an essential member of our TRIO Educational Talent Search team; she creates a positive and organized environment in our office.</p>	
27.	<p>Sonya Urnowey Assistant Professor, Natural Sciences Milton Campus Bldg. 4900, Room 4920 Statement By: Dr. BC</p>	<p>Dr. Urnowey is an Assistant Professor of Biology in the Department of Natural Sciences. She is very popular among her students. She has strong leadership, courage, communication, and knowledge skill sets and demonstrates a great deal of compassion for her students. Dr. Urnowey is always available and willing to help her students in any way possible toward their success.</p>	

28.	<p>Lee Ann Ward Administrative Assistant, History, Languages, Social Sciences, and Education Pensacola Campus Bldg. 14, Room 1461 Statement By: Kathy Van Dyck</p>	<p>Lee Ann is History, Languages, Social Science, and Education Department's admin assistant extraordinaire. She is often the first person that people talk to when they contact the department, and she represents us well. She has the patience of Job and gets along with everyone including students, instructors, and staff. Lee Ann juggles a lot of different responsibilities and plays a big part in making sure the office runs smoothly. She is also an avid gardener and enjoys spending time with her family.</p>	
10-Year			
1.	<p>Tim Hathway Associate Professor, Natural Sciences Pensacola Campus Bldg. 17, Room 1746 Statement By: Dr. BC</p>	<p>Dr. Timothy Hathway is an Associate Professor of Chemistry in the Department of Natural Sciences. He recently developed and taught the first honors component course in Natural Sciences for the Robinson Honors Program. Tim is faculty co-sponsor for the PSC Brain Bowl Team, and he serves as department coordinator for the annual PSC Academic Excellence Competition in chemistry for area high school students. Dr. Hathway was a 2014 Academy of Teaching Excellence Award winner.</p>	
2.	<p>John Holder Associate Professor, History, Languages, Social Sciences, and Education Pensacola Campus Bldg. 14, Room 1481 Statement By: Kathy Van Dyck / Susan Morgan</p>	<p>John Holder teaches philosophy courses including Introduction to Philosophy, Ethics, and Logic & Critical Thinking. He has been inducted into the Academy of Teaching Excellence and currently chairs the committee. True to his field, John is a deep thinker, but has a heart for his students and is always willing to work with students to overcome any challenges they may be dealing with. He is an advisor for the Philosophy Club and accompanies his students to the annual Florida Philosophical Association conference and the Northeast Florida Student Philosophy Conference. In his free time, he enjoys role playing games and watching his favorite TV programs.</p>	
3.	<p>Billy Jackson Planetarium Specialist, Instructional Technology Pensacola Campus Bldg. 20, Room 2060 Statement By: Dr. Bill Waters</p>	<p>Billy Jackson not only operates the Planetarium, he is largely responsible for many of the improvements made in the facility over the past 10 years. We in the eLearning Department often refer to Billy as "MacGyver" because he can fix anything and solve any technical issue that comes his way. Working with Billy is an education in itself.</p>	
4.	<p>Darrell Kelly Science Lab Specialist, Natural Sciences Pensacola Campus Bldg. 21, Room 2120 Statement By: Dr. BC</p>	<p>Dr. Darrell Kelly handles all chemistry lab support at the College. His Department Head, Dr. Hikmat BC, notes Dr. Kelly's high level of competence and his extremely friendly personality. Dr. BC appreciates Dr. Kelly's tremendous expertise in all aspects of chemical lab operations that comes with Kelly's 30-plus years of experience working as a research chemist at Monsanto Pensacola Plant. We are so fortunate to have Dr. Darrell Kelly in charge of chemical operations for our PSC chemistry student labs.</p>	

5.	<p>Clint Morgan Computer Lab Technician, Academic Computing Milton Campus Bldg. 21, Room 2165 Statement By: Bert Merritt</p>	<p>Clint Morgan is well known for keeping student computers updated all around campus. He worked as contract employee before he began his career as a full-time employee in 1991, when he was hired as a computer lab technician. Clint helps students in keeping their computers up-to-date. His job takes him all over the Pensacola campus and beyond if needed. He is wherever you need him to be and always does the job with a smile on his face.</p>	
6.	<p>Marcie Roebuck Administrative Assistant, Athletics Pensacola Campus Bldg. 3, Room 304 Statement By: Bill Hamilton</p>	<p>In a building full of former All Star players and Championship coaches, Marcie is the Most Valuable Player every year!</p>	
7.	<p>James Roy Multi Media Production Manager, WSRE Pensacola Campus Bldg. 23, Room 2314 Statement By: Bob Culkeen</p>	<p>Producer/Director James Roy is an integral part of WSRE's award-winning production team. James is the station's go-to guy for video editing, recently showcasing his talent in the creation of an animated intro and set design for "Nightmare Theatre." He directed recent productions of "In Your Own Backyard" and "StudioAmped" that were awarded Bronze Telly Awards for production excellence, along with the documentary, "They Were Our Fathers," which won a Silver Telly Award. You can always find James at station events, whether working behind the scenes in the director's chair or behind a camera ... or as a PBS KIDS Parent with family in tow.</p>	
8.	<p>Pat Warner Computer Systems Analyst, Information Technology Services Pensacola Campus Bldg. 16, Room 1601-B Statement By: Bert Merritt</p>	<p>Pat has proved a valuable employee with her ability to quickly adapt to working on complex systems outside of her usual area of expertise. Her and her husband are loving life with their first Grandbaby.</p>	
15-Year			
1.	<p>Alan Ammann Associate Professor, Business Department Pensacola Campus Bldg. 10, Room 1037-B Statement By: Barbara Rodriguez</p>	<p>Dr. Alan Ammann is truly passionate about educating. He is energetic and brings enthusiasm in the classroom. His students describe him as patient, attentive, and respectful. He welcomes feedback and is constantly searching for ways to improve his teaching style. He is highly respected among faculty and students, and has been instrumental in shaping the business department over the last 15 years.</p>	
2.	<p>Dewayne Bradley Receiving Specialist, Purchasing & Auxiliary Services Pensacola Campus Bldg. 9, Room 911 Statement By: Diane Bracken</p>	<p>People are always happy to see Dewayne coming. Not just because he brings them all their cool stuff but also because he is always happy and friendly and he will help out anyone if asked. Dewayne truly delivers "service with a smile."</p>	

3.	<p>Jeanne Branch Assistant Professor, Business Department Pensacola Campus Bldg. 10, Room 1037-C Statement By: Barbara Rodriguez</p>	<p>During her 15 years with Pensacola State, Jeanne Branch has become a mentor for both her students and colleagues. She will go above and beyond to assist others whenever needed. Her work ethic is unmatched and she strives for excellence in everything she does. It was no surprise when she was inducted into the Academy of Teaching Excellence in 2018. She continuously demonstrates her passion for teaching and her commitment to her students and to the college.</p>	
4.	<p>Morris Buchanan Department Head, Mathematics and Computer Science Pensacola Campus Bldg. 1, Room 40-C Statement By: Kirk Bradley</p>	<p>Morris Buchanan is a talented teacher and department head in the department of mathematics and computer science. Morris is always ready to assist students in an encouraging way and help them be successful. In his free time, Morris has a passion for flying and gardening. Morris has his pilot's license and flies every chance he gets.</p>	
5.	<p>Rick Dunn Instructor, History, Languages, Social Sciences, and Education Pensacola Campus Bldg. 14, Room 1473 Statement By: Kathy Van Dyck</p>	<p>Rick Dunn is an active member of the History, Languages, Social Sciences and Education faculty. He teaches psychology courses including Introduction to General Psychology and Human Growth and Development. Rick's big personality encourages his students to be active participants in his classes. He is skilled in engaging his students in the classroom and eliciting discussion. Mr. Dunn also involves his students in service learning projects. Rick's hobbies include spending time on the beach and in the gym.</p>	
6.	<p>Teresa Jackson Administrative Assistant, Mathematics and Computer Science Pensacola Campus Bldg. 1, Room 40-C Statement By: Bradley Kirk</p>	<p>Teresa is extremely dedicated to PSC and to the success of the mathematics and computer science department. She has a passion for education and for helping students. In addition, she is a lifelong learner who has achieved multiple degrees including a master's degree. In her free time, Teresa is very involved in community programs that help students prepare for college entry.</p>	
7.	<p>Marta Suarez-O'Connor Education Director, Patient Simulation Training Center Warrington Campus Bldg. 3100, Room 3117-A Statement By: Dusti Sluder</p>	<p>Ms. Marta Suarez-O'Connor always demonstrates great willingness to ensure that success is reached not only within her department but on a College wide level as well. Her professional demeanor is contagious and radiates from her department.</p>	
8.	<p>Christine O'Donnell Assistant Professor, English and Communications Pensacola Campus Bldg. 4, Room 421 Statement By: Dr. Edward Pate</p>	<p>Christine began working at PSC first as an adjunct and then as the Writing Lab supervisor before being hired as a full-time faculty member. At one time, she shared her home with five dogs, two cats, and two bunnies. Nowadays, she enjoys spending her free time with her two dogs and four cats. One student summed it all up: "Ms. O'Donnell was a great teacher."</p>	

9.	Jennifer Ehrhardt-O’Leary Professor, English/Communications Pensacola Campus Bldg. 4, Room 424 Statement By: Dr. Edward Pate	Outside of class, the coolest thing Jen has ever done is to restore a 1972 Airstream and drive from Pensacola to the Grand Canyon with her family and childhood best friend. Jen highly recommends visiting Monument Valley and Lower Antelope Canyon for spectacular nature experiences. Just go! Jen goes the distance in the classroom as well.	
10.	Ferdinand Sapiera Computer Lab Technician, Academic Computing Pensacola Campus Bldg. 21, Room 2165 Statement By: Liz Gomez	Ferdinand Sapiera works in the Pensacola ACC (Academic Computing Center) helping students with their technology needs. He keeps a watchful eye on the entire lab from his perch in the booth and provides assistance to students who are here at night and on weekends. Whether their print job is stuck in the copier or their mail-merge is not working, Ferdinand finds answers to problems and makes the student feel that they can learn what is asked of them.	
11.	Erin Spicer Vice President, Academic and Student Affairs Pensacola Campus Bldg. 7, Room 729 Statement By: Dr. Meadows	Dr. Spicer has worked tirelessly to identify and implement technology to better serve the College admission, registration, and advising processes. She has a big heart for students with special financial needs and is extremely generous with her own financial resources in helping students. Dr. Spicer is committed to excellence in every aspect of her job and has helped to raise the bar toward continuous improvement of PSC as a truly student centered institution.	
20-Year			
1.	Lanatta Barrett Senior Administrative Assistant/ Accounting Records Specialist Comptroller Pensacola Campus Bldg. 7, Room 738 Statement By: Nan Jackson	Lanatta is known college wide as a ‘go to’ person for help with any administrative function. She can be counted on to always be ready, willing and able to lend a hand. She routinely serves the College and volunteers at many different college sponsored events. Lanatta takes pride in working here at Pensacola State, which is documented in her 20 year commitment. Outside of work, Lanatta enjoys camping and spending time with her family. Her gracious spirit is inspiring to all who come in contact with her. She is described by her peers as cheerful, dependable, proactive, kind, bubbly and a joy to work with.	
2.	Donna Carlisle Property Specialist, Comptroller Pensacola Campus Bldg. 7, Room 738-N Statement By: Nan Jackson	For 20 years, Donna has been instrumental in the accounting of each piece of the College’s property. Donna is known by most as the ‘Inventory Lady’. She is recognized by her team player approach even when it is not easy or convenient and many times when it is last minute. She is ready, willing and able to help in any way. Outside of work, she enjoys watching her ‘Dallas Cowboys’ football and spending time with her family. Donna is described by her peers as sweet, kind, helpful and most importantly the ‘Best Cuebbie Ever’.	
3.	Deborah Douma Dean, Grants and Federal Programs, Pensacola Campus Bldg. 7, Room 717 Statement by: Jamie, Lisa, Shannon	Dr. Douma is known around the office not only for her professional achievements, but for the relationships she has made at the college and in the community. She frequently goes out of her way for others. Debbie loves to celebrate her staff’s achievements and show gratitude, most often with tasty treats, including her famous homemade baked goods. Debbie is a wonderful supervisor and takes pride in treating her staff like family.	

4.	<p>Rodney Garrett Professor, English / Communications Pensacola Campus Bldg. 4, Room 425 Statement By: Dr. Edward Pate</p>	<p>Rodney has been bitten by the travel bug to the point that he now claims to have a travel addiction. This newfound passion has been literally life-changing for Rodney, and in the last 5 years he’s traveled to 14 countries. If you share his passion for travel, Rodney welcomes your Facebook friend request. One student said it well: “He’s very good at what he does.”</p>	
5.	<p>Liz Gomez Director, Technology Support, Microcomputer Resources Pensacola Campus Bldg. 13, Room 1321 Statement By: Bert Merritt</p>	<p>Liz is a very well-rounded IT-er who can solve just about any type of technical issue. While she likes to remain behind the scenes but is usually pulled to the front on most IT projects. Liz play tennis in her spare time and is a very proud of her “perfect” grandbaby.</p>	
6.	<p>Michelle Haggard Professor, Business Department Pensacola Campus Bldg. 10, Room 1037-A Statement By: Barbara Rodriguez</p>	<p>With 20 of PSC experience, Michelle Haggard is an asset to the Business department. She has a wealth of knowledge and experience and is a good resource for everyone around her. She is organized, task-oriented, and she does not hesitate to take on a challenge. She has a wonderful rapport with colleagues and is highly respected by her students. She truly enjoys her job and helping students reach their full potential.</p>	
7.	<p>Jim Hines Senior Coordinator, Academic Computing Pensacola Campus Bldg. 21, Room 2148 Statement By: Bert Merritt</p>	<p>In Jim’s 20 years at the college, he has held a few roles – and in all of them he has provided a great service to the faculty, staff and students. He goes above and beyond on a regular basis to provide great service to everyone. In his personal time, he grows roses, likes riding his Harley and restoring old cars.</p>	
8.	<p>Tracy Hunter Administrative Assistant, Cont. Workforce & Economic Dev. Downtown Center Room 401 Statement By: Ruth McKinon</p>	<p>Tracy started working at the Downtown Center in 1999 and transferred to the Warrington Campus in 2005. In May 2016, she decided to return to her “old stomping grounds” the Downtown Center. Tracy enjoys her job and working with the students, business clients and colleagues. Ruth McKinon highlights, “Tracy is a hard worker, dedicated, committed, and loyal to PSC and their department.</p>	
9.	<p>Debra Bigelow-Jordan Administrative Support Specialist, Academic Affairs Milton Campus Bldg. 4200, Room 4212 Statement By: Dr. Anthea Amos</p>	<p>Debbie Bigelow-Jordan is an asset to PSC who has grown from a first-generation student to working on a graduate degree and becoming an advisor for the Outdoor Club. She is a creative thinker who gives suggestions for improvement and details the way to implement them. She shows appreciation and encouragement to other staff and is consistently hardworking day after day. Debbie is a city girl but impressively enough she knows rafts, hikes, climbs and can leap from 100 feet high boulders into raging rivers. Debbie encourages students to follow her lead and strive for achievements out of their comfort zone, for that she is a true leader in all that she does.</p>	

10.	<p>Tom Kuklish Coordinator, Academic Computing Warrington Campus Bldg. 3100, Room 3142 Statement By: Bert Merritt</p>	<p>Tom has a very full plate (or campus, as it may be). As the only full time employee to provide technical service to the entire Warrington campus, he certainly has his hands full but he does everything he can for everyone he meets and does it well. Tom manages a staff of contract employees to help him out – a few hours here, a few hours there, but he still tackles the majority of the issues himself!</p>	
11.	<p>Pete Pena Intercollegiate Athletic Coach, Athletics Pensacola Campus Bldg. 3, Room 313 Statement By: Bill Hamilton</p>	<p>Pete is a Pirate through and through. He attended PJC and has been an assistant coach in two sports here and a Head Coach in two sports! There is nobody more kelly green and navy blue than Pete.</p>	
12.	<p>Rosemary Ropke Accounting Specialist, College Development Pensacola Campus Bldg. 17, Room 1785A-120 Statement By: Andrea Krieger</p>	<p>Rosemary brings a great wealth of knowledge and history to our office and our school. Her warm smile is always welcoming; her work ethic is stellar and she is always ready to be a supportive “teammate,” any place and any time. She is devoted to the Athletic Boosters and all “HER” Pirates. Rosemary’s true passion is her family, particularly her PSC soft-ball playing granddaughter!</p>	
13.	<p>Jeff Ward Director, Network and Telecommunications Systems Pensacola State College Bldg. 13, Room 1306 Statement By: Bert Merritt</p>	<p>Jeff has held various key positions in ITS and he has a unique quality of translating complex technology issues into understandable and workable terms. Along with his IT expertise, Jeff studied Meteorology while at FSU and he maintains the seismograph equipment in the Science building.</p>	
14.	<p>Steven Zukowski Systems Coordinator, Management Information Systems Pensacola Campus Bldg. 16, Room 1623-I Statement By: Bert Merritt</p>	<p>Steve is one of the most knowledgeable and efficient employees in MIS. His vast knowledge of the student information system is invaluable to PSC. Steve enjoys fishing and hunting. He also enjoys coaching little league baseball for nearly 20 years.</p>	
25-Year			
1.	<p>Mary Graves Senior Systems Analyst, Management Information Systems Pensacola Campus Bldg. 16, Room 1601-C Statement By: Bert Merritt</p>	<p>Mary enjoys travelling, the beach and spending time with her family. As a first generation immigrant from Italy, Mary’s wish is to return to her homeland to visit her family, which includes over 30 first cousins. Mary and her husband are also avid Cleveland Browns Fans & they run the local Pensacola Chapter of the Browns Backers Worldwide Fan club. GO BROWNS!</p>	

2.	<p>Greg Hardin Assistant Professor, Mathand Computer Science Warrington Campus Bldg. 3400, Room 3402-D Statement By: Kirk Bradley</p>	<p>Greg has a passion for helping students learn mathematics. Greg provides quality instruction and has an exceptional way of meeting students where they are and helping them to learn and love mathematics. Greg is always found tutoring and helping students outside of class at the Warrington campus. In his free time, Greg is an avid NASCAR fan and a talented softball player.</p>	
3.	<p>Tammy Henderson Director, Human Resources Pensacola Campus Bldg. 7, Room 715 Statement By: Likely, Rhonda / Gean Ann Emond</p>	<p>Tammy is a personable, polite, proud, and poised human resources professional. She finds joy in providing impeccable services to faculty, staff, students, vendors, and the community. It is these traits that provides the framework for her to continue to be such an active, dedicated, knowledgeable, and selfless professional. She meets and greets everyone by name and she does this because she knows that it makes the person feel important. If you see her on campus, she can probably name each employee in the room or building. Tammy is involved in a number of events, and organizations. She is an avid supporter and recruiter for AFC. She loves going to the ball parks, school events, and sporting competitions to cheer for her grandchildren.</p>	
4.	<p>Beau McHenry Director, Management Information Systems Pensacola Campus Bldg. 16, Room 1610 Statement By: Bert Merritt</p>	<p>Beau has a unique ability to understand and simplify very complex software issues. He has worked in every position and every system in MIS including his current role as Director. He has worked on nearly every module in all of the Systems that PSC has in place and is looking forward to the challenge of implementing Workday. Beau is a huge Alabama fan and spends a lot of time with his family in T-town during football season. He also enjoys being with his family and being outdoors in general.</p>	
5.	<p>Jennifer Tart Library Acquisition Technician, Library Services Pensacola Campus Bldg. 20, Room 2022-D Statement By: LisaMarie Bartusik</p>	<p>Super-reliable, friendly and helpful, Jennifer can cross-train with the best. She's always willing to help us serve PSC in any way she can, and is willing to try almost anything to get the job done.</p>	
30-Year			
1.	<p>Michael D. Allen Instructor, Engineering Technology Programs Pensacola Campus Bldg. 96, Room 9612 Statement By: Michael Listau</p>	<p>Mr. Allen is a strong advocate for the Electrical program at PSC, recruiting and helping to enroll new students. He speaks at neighborhood meetings as well as at local churches on education and training to encourage members to assist in recruiting at-risk youth. He believes a skilled trade occupation is ideally suited for at-risk youth and his class activities prepare students to enter the workforce with the skills that they need to be successful in their career.</p>	

2.	<p>John Atkins Professor, Business Department Pensacola Campus Bldg. 10, Room 1052-C Statement By: Barbara Rodriguez</p>	<p>John Atkins is always pleasant and has a genuine interest in the success of his students. John has been with PSC for 30 years, yet he still uses every day to improve his craft. Placing the needs of his students above his own, he stepped out of his comfort zone by incorporating technology into his teaching. He embraced the opportunity to use this platform to reach students. He is described as engaged, knowledgeable, patient, and always available to assist when needed.</p>	
3.	<p>Jane Duke Testing Operations Specialist, Testing Services Pensacola Campus Bldg. 6, Room 634 Statement By: Kathryn Quillen</p>	<p>Jane Duke has worked at PSC since 1988, as a Testing & Assessment Specialist. She manages the Testing schedules, oversees the daily operations of Testing, and trains new staff members. She is an essential and highly valued member of our team. In her spare time, Jane is an active member of her Church where she has taught Sunday School even longer than she has been at PSC. In addition, Jane loves to travel; she has made trips that include Yellowstone National Park and the Grand Canyon and has taken an Alaskan Cruise. Her latest adventure was a trip to Hawaii to visit her daughter. In fact, she has told us that once she retires her plans are to buy an RV to continue her cross-country adventures full time.</p>	
4.	<p>Erin Hernandez Director, Systems Support Pensacola Campus Bldg 13, Room 1307 Statement By: Bert Merritt</p>	<p>Erin's specialty is organization and planning. The college has benefitted from those skills for 30 years and her family has benefited likewise. She coaches soccer teams and leads boy scout troops and recently she has become the lead trainer on diaper changing. She and husband John are proud grandparents of two beautiful grandchildren.</p>	
5.	<p>Cynthia Koklas Library Technician, Library Services Pensacola Campus Bldg. 20, Room 2002-B Statement By: LisaMarie Bartusik</p>	<p>Cindy is our 'go-to' for authentic, reliable information on nearly any topic – which is saying a Lot in a library! Her research skills and tenacity are quite literally, life-saving.</p>	
6.	<p>Kim Laflamme Administrative Assistant, Natural Sciences Pensacola Campus Bldg. 17, Room 1720 Statement By: Dr. BC</p>	<p>According to her Department Head, Dr. Hikmat BC, Kim Laflamme knows every aspect inside and out about being a top-notch Administrative Assistant for Natural Sciences. She goes out of her way in being helpful and always projects a kind and positive attitude. She is always willing to take on extra responsibility, and she enjoys the respect of colleagues not only in her department but all across the College. Kim exemplifies what we mean by the term "model employee."</p>	

7.	<p>Susan Morgan Department Head, History, Languages, Social Sciences, and Education Pensacola Campus Bldg. 14, Room 1461-A Statement By: Brenda Kelly</p>	<p>Susan Morgan is one of the College’s most senior department heads. She was hired at the College in August 1989, where she taught history, American government, and economics at the Adult High School. Ms. Morgan was inducted into the Academy of Teaching Excellence in 1997 and served as Chair of the Academy in 1998. She served as the President of the Faculty Association and currently represents PSC as an executive board member of the Gulf South History and Humanities Association. When she is not working, Ms. Morgan likes to read, work in the yard, and spend time with her family and her 9 incredible grandchildren.</p>	
8.	<p>Sandy Southerland Professor, Culinary & Hospitality Management Pensacola Campus Bldg. 5, Room 539 Statement By: Michael Listau</p>	<p>Mr. Southerland is a veteran faculty member that has a long-standing history of helping students succeed with a “doing whatever it takes” approach. Mr. Southerland has incorporated a number of new instructional ideas into his classroom presentation to meet the needs of today’s students. He even goes above-and-beyond to tutor students in basic math, accounting, and hospitality classes on a one on one basis during and after office hours.</p>	
35-Year			
1.	<p>Evelyn L. Gutknecht Senior Computer Systems Analyst, Information Technology Services Pensacola Campus Bldg. 16, Room 1619 Statement By: Bert Merritt</p>	<p>Evelyn’s experience not only in MIS, but in many years on the user side of financial aid make her a vital employee in MIS. In her spare time she enjoys gardening. This weekend she will be planting the heirloom tomatoes shared by Morris and Cammie Buchanan during Professional Development Day – the plants have doubled and tripled in size and have outgrown their small pots.</p>	
2.	<p>Kenneth J. McAferty Professor, English/Communications Pensacola Campus Bldg. 4, Room 409 Statement By: Dr. Edward Pate</p>	<p>Prior to beginning his English teaching career in Colorado in 1976, Ken was singing in rock and roll bands, while driving trucks and working in bakeries to make ends meet. Now forty three years later, thirty five here at PSC , Ken realizes that teaching is one of the biggest thrills ever “every time I have walked into the classroom, worked with students individually, or coached the Brain Bowl team in another regional or national tournament.”</p>	
3.	<p>Martha Weyels Library Serials Technician, Library Services Pensacola Campus Bldg. 20, Room 2022-E Statement By: LisaMarie Bartusik</p>	<p>Martha began at PSC in Counselling before coming to Technical Services, and remembers the Rotating Vault! She has worked in Technical Services ever since, typing catalog cards, repairing books, checking magazines, and keeping the periodical display in order. Martha currently maintains our serials and is on hand for book repair, sending materials to be bound when necessary, and keeping track of what magazines are being used for collection development. Our Martha is part Martha Stewart, part Paula Dean, meaning she is a creative decorator and an avid cook. Each year she transforms our break room for festive holiday gatherings, often featuring natural materials for seasonal displays.</p>
