

BID FORM
Invitation to Bid (ITB)
Fire Alarm Systems, ETC.

ITB 6-2022/2023

ADDENDUM #1
5-22-2023

Question # 1: “On the Bid Form, do you want the all inclusive cost for labor, supplies, parts, inspections, and repairs for all campuses listed for each line items price or do you need the hourly rate for each line item listed in the price field?”

ANSWER #1: Items A through G are all-inclusive prices for the stated device services.

Question # 2: “Item G on the bid form there is a percentage cost to be listed, is this supposed to be price?”

Answer #2: Initial item G, which refers to the Sprinkler Systems, should reflect an all-inclusive price. The final item G (which should have been item H), refers to the percentage markup (if any) on the parts, materials and supplies used to provide the services listed.

Question #3: “Will you provide recent inspection reports for each locations fire alarm, kitchen hood, halon system, and sprinkler systems?”

Answer #3: Yes, please use the following link to get to the various detailed reports:
<https://www.pensacolastate.edu/about-psc/purchasing/>

Question #4: “Will you provide how many extinguishers, hydrants, and backflows are at each campus?”

Answer #4: Yes, please use the following link to get to the various detailed reports:
<https://www.pensacolastate.edu/about-psc/purchasing/>

The following Bid Form pages are also updated with this Addendum:
