

# Florida Master Teacher Seminar

## May 19–23, 2024

---

Come experience for yourself what **347** fellow teachers from the **28** Florida colleges have been talking about since 2012.

---

*"Every activity was built around pedagogical methods and best practices so everything - every step of the way from instructions to end - had learning integrated. Best professional development experience I've ever had." ... 2023*

---

*"Best conference I have ever attended! I loved the laid-back environment." ...2019*

---

*"I was impressed by the bonds that have been formed (and have continued beyond the seminar) in such a short time. The willingness to share and collaborate across disciplines was amazing." ...2018*

---

*"Everything about the seminar was so well-planned. It was a perfect mix of business and fun." ...2013*

---

*"I love the intense focus on student learning and the ingenuity of instructors' ideas; it was motivating, enlightening, and inspiring." ...2015*

---

*"I enjoyed meeting great folks in an interdisciplinary format. Networking with other teachers who taught different subjects was phenomenal!" ...2012*

---

*"It was an epiphany moment where all our learning came together in my mind and in my soul." ...2022*

---

---

*"The teaching demos were fantastic! It was so interesting to see different methodologies in different disciplines." ...2017*

---

*"Everything was TOPS. You all went above and beyond to make us feel comfortable and welcome, and helped us stay engaged throughout. I'm recommending this seminar to my colleagues." ...2016*

---

*"Everything was remarkable. This seminar changed my life in the best possible way." ...2022*

---

*"All the events were well done, motivating, and engaging. The Master Teacher Pub was a nice way to informally wind down in the evenings." ...2016*

---

*"I got some great ideas of ways to engage students." ...2012*

---

*"I loved all the times we were able to talk about our teaching, mingle with one another, and learn from one another." ...2019*

---

*When I look for new ideas for presenting or practicing concepts in class, I have looked back at this packet to find inspiration." ...2018*

---

*"I've already told people at my college to consider applying. I want to come back." ...2014*
